

## **7 Council Focus Areas**

**COMMUNITY SAFETY** - Maintain and improve resource levels and community support programs to ensure public safety.

**HOMETOWN 2000** - Implement the recommended strategies designed to ensure that the goals of the plan are achieved.

**INFRASTRUCTURE** - Provide quality services through maintenance and expansion of road, park, water, drainage, and waste water facilities.

**TRANSPORTATION** - Address the City's roads and intersection improvement needs and promote alternate methods of transportation and mobility, such as walking and biking trails.

**ECONOMIC DEVELOPMENT** - Provide for development of environmentally responsible industry and business for diversification of the tax base and quality employment.

**CUSTOMER CENTERED GOVERNMENT** - Develop an organization that is recognized by its customers for its customer-centered-culture (C3), while implementing the standards expected by the community and the City Council.

**STAFF EFFECTIVENESS** - Provide training and resources to strengthen employee teams, enhance organizational focus and achieve service goals.
