## **E. BOYDSTUN AVENUE & THROCKMORTON STREET RECONSTRUCTION**

### **CHANGE IN TRAFFIC DIRECTION NOTICE**

JANUARY 5, 2018

On Friday January 5 2018, traffic on E. Boydston Avenue during construction will be converted to one way (westbound) from Clark Street to S. Goliad Street (SH 205). Traffic will remain one way (westbound) for the remainder of the project.

For updates on this project and any other City CIP projects you can go to the City of Rockwall's Engineering CIP webpage. [www.rockwall.com/engineering](http://www.rockwall.com/engineering) If you would like to be alerted when updates on the project become available please send your email address to [Engineering@rockwall.com](mailto:Engineering@rockwall.com) and list what CIP project you are interested in receiving email updates on.

For any questions or concerns, feel free to contact James Palmer, City of Rockwall Engineering Construction Inspector, at 469-974-1773 or Jeremy White, City of Rockwall CIP Project Manager, Engineering Division at [jwhite@rockwall.com](mailto:jwhite@rockwall.com) or 972-771-7746.
