FOR IMMEDIATE RELEASE
April 25, 2011

Rockwall, Texas – Rockwall County Emergency Management is currently utilizing a communications service that allows us to send important, valuable safety information directly to residents using the latest technology.

The Nixle Information Service allows us to create and publish messages to be delivered to subscribed residents instantly via mobile text message and/or email.

Messages will include severe weather warnings and other urgent notifications. The service is reliable and free.

Residents decide from which local agencies they want to receive information and choose the way in which alerts are received, whether it is by email, text message or over the web. There is NO spam and no hidden cost. Standard text messaging rates do apply.

Residents of Rockwall County can immediately begin receiving pertinent safety information via text message by texting their zip code to 888777. To receive alerts via email and to customize the account, residents should visit www.nixle.com for full registration.
