VII. Open Forum

Mayor Johannesen explained how Open Forum is conducted, asking if anyone would like to speak at this time.

**Dr. Joan Terry
1530 Meadows Circle**

Rockwall, TX 75087

Dr. Terry came forth and called out the names of numerous city staff members who participated in helping honor the late Claudette Hatfield. She indicated that these staff members all came together to collaborate and pull together a very wonderful celebration in honor of Claudette for all the work she has done over the years for the very successful Farmers Market event. She shared that in addition to the celebration in person, it was also decided that a beautiful park bench, including a stone wall that is very much a 'work of art' that surrounds the park bench, would be installed. Dr. Terry shared that the bench and its surroundings are absolutely phenomenal. She expressed huge gratitude to the following staff members, who she particularly wanted to be specifically named within the official minutes:

- From City Administration – Mary Smith (City Manager); Joey Boyd (Asst. City Manager); David Sweet (Director of Admin. Services); Bethany Browning (Main St. Manager); and Laura Perez (Executive Assistant);
- From the Parks Department – Travis Sales (Director of Parks & Recreation); Antero Ramos; Carlos Romero; Cory Mueller; Brandon Rose; Sergio Escobar; Daniel Norrell, Trenton Scruggs; Brian Sartain; and Kyle Pullen;
- From the Recreation Department – Kraigen Eisaman; Cash Quinton; and Baylee Raymond.

She expressed that there are individuals in life that come along who you wish you had thanked in the moment but inadvertently failed to do so. She went on to explain a personal story about a problem she was dealing with at the rear of her home. She shared that she did not know what to do or who to call in the moment, so she called the city. She explained how the three staff members named below deserve huge accolades for then showing up at her home that day and helping her by moving a very large item from the rear of her home to the front of her home. She was so incredibly grateful for these staff members, and she wants to ensure they are properly thanked for their kind assistance that day.

- From the Utilities Department – Aaron Morris; Randy Slayden and Jesse Rios.

She shared how grateful she has been for these city staff members and thanked Council for taking time to listen to her this evening.

Bob Wacker
309 Featherstone
Rockwall, TX 75087

Mr. Wacker came forth to briefly share that he recently attended a debate rally, and the topic of 'affordable housing' came up. He shared that his daughter is a teacher and would like to have some 'affordable housing' so she could live here in Rockwall; however, that is not currently possible. He shared that he is going to support election candidates who ensure that future development retains its value and that whatever gets built makes things better than they were before being built. He went on to provide various comments about lot sizes as related to developments. He reminded that the 'community' is mainly its residents (not its businesses). He wants to make sure that the city council does not degrade our environment and that proper infrastructure is in place when Council reviews and approves developments. Also, he encouraged Council to ensure that whatever is proposed meets the city's Comp Plan and UDC.

There being no one else wishing to come forth and speak, Mayor Johannesen then closed Open Forum.

X. Public Hearing Items

- 1. Z2024-028** - Hold a public hearing to discuss and consider a request by David Naylor of Rayburn Electric Cooperative for the approval of an **ordinance** for a Zoning Change from Planned Development District 44 (PD-44), Commercial (C) District, and Heavy Commercial (HC) District to Planned Development District 44 (PD-44) for Commercial (C) District and Heavy Commercial (HC) District land uses for a 95.00-acre tract of land identified as Tract 3 of the W. H. Barnes Survey, Abstract No. 26; Lots 6, 7, 8, & 9, Block A, Rayburn Country Addition; Lot 1, Block 1, Helwig Addition; and Lot 1, Block A, Estep Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, Heavy Commercial (HC) District, and Planned Development District 44 (PD-44) for Commercial (C) District land uses, situated within the SH-205 Overlay (SH-205 OV) District, generally located in between Mims Road, Sids Road, and S. Goliad Street [SH-205], and take any action necessary (**1st Reading**).

Planning Director, Ryan Miller provided background information regarding this agenda item. On November 15, 2022, the Planning and Zoning Commission approved a site plan [Case No. SP2022-058] to allow the construction of three (3) buildings, which were added to the Rayburn Electric Cooperative's corporate campus. The building elevations approved with this site plan were amended on July 25, 2023 (Case No. SP2023-023) and November 28, 2023 (Case No. SP2023-045). According to the Rockwall Central Appraisal District (RCAD) currently situated in Area A is the follow: [1] a 15,037 SF office building that was constructed in 2014, [2] a 9,280 SF office building that was constructed in 2018, [3] a 3,563 SF office building that was constructed in 2018, [4] a 26,909 SF storage/warehouse building that was constructed in 2018, [5] a 3,600 SF office building that was constructed in 1986, and [6] a 4,000 SF storage/warehouse building that was constructed in 1986. On June 14, 2024, the applicant -- *David Naylor of Rayburn Electric Cooperative* -- submitted a development application requesting to change the zoning of the subject property from Planned Development District 44 (PD-44), Heavy Commercial (HC) District, and Commercial (C) District to Planned Development District 44 (PD-44) for Commercial (C) District and Heavy Commercial (HC) District land uses. The applicant has stated that the purpose of the zoning change is create a Planned Development District that allows the land uses necessary to create a corporate campus for the Rayburn Electric Cooperative. The applicant's development standards are intended to maintain conformity with the existing corporate campus and -- *as a result* -- do not appear to increase the non-conformities that already exist on the site. With this being said, the proposed Planned Development District conforms to the City's code requirements, and only makes deviations to the land uses permitted within each of the areas designated on the *Concept Plan*. The applicant's proposal appears to be in substantial conformance to many of the policies and goals that relate to commercial/industrial developments; however, a request for a Planned Development District ordinance is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission. On July 9, 2024, the Planning and Zoning Commission approved the zoning change by a vote of 4-0, with Commissioners Deckard and Womble absent and one (1) vacant seat. In addition, staff mailed 128 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Hickory Ridge, Hickory Ridge East, Meadow Creek Estates, Flagstone Estates, and Lynden Park Homeowner's Associations (HOAs). No notices were received back by staff.

Mayor Johannesen opened the public hearing, asking if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the Public Hearing.

Councilmember Lewis moved to approve Z2024-028. Mayor Pro Tem Jorif seconded the motion. Councilmembers Lewis and McCallum sought and received various clarifications from Mr. Miller concerning this proposal.

The ordinance caption was read as follows:

**CITY OF ROCKWALL
ORDINANCE NO. 24-XX**

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 44 (PD-44) [ORDINANCE NO.'S 97-28 & 09-03] AND THE UNIFIED DEVELOPMENT CODE [ORDINANCE NO. 20-02] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO CHANGE THE ZONING FROM A HEAVY COMMERCIAL (HC) DISTRICT AND COMMERCIAL (C) DISTRICT TO PLANNED DEVELOPMENT DISTRICT 44 (PD-44) AND FOR THE PURPOSES AMENDING THE CONCEPT PLAN AND DEVELOPMENT STANDARDS FOR A 90.37-ACRE TRACT OF LAND IDENTIFIED AS LOTS 6, 7, 8 & 9, BLOCK A, RAYBURN COUNTRY ADDITION; LOT 1, BLOCK 1, HELWIG ADDITION; LOT 1, BLOCK A, ESTEP ADDITION; AND TRACT 3 OF THE W. H. BARNES SURVEY, ABSTRACT NO. 26, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AND BEING MORE SPECIFICALLY DESCRIBED IN EXHIBIT 'A' AND FURTHER DEPICTED IN EXHIBIT 'B' OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion to approve the case passed unanimously of those present (6 ayes, 0 nays, and 1 absence (Thomas)).

2. **Z2024-029** - Hold a public hearing to discuss and consider a request by Ben Lewis for the approval of an **ordinance** for a *Specific Use Permit (SUP)* for a *Detached Garage* that exceeds the maximum size and height on a 0.3168-acre parcel of land identified as Lot 3, Block 5, Garner Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 10 (SF-10) District, situated within the North SH-205 Overlay (N. SH-205 OV) District, addressed as 911 N. Alamo Street, and take any action necessary (**1st Reading**).

Mr. Miller, Planning Director shared details of this request, indicating that the applicant is seeking to obtain an SUP for the purpose of constructing a 920 ft. detached garage / accessory building that will be 20 ft. in height in the rear of his residential home. Mr. Miller explained that the proposed structure exceeds the city's maximum allowable size by 285 sq. feet and the maximum allowable height by 5 feet. He went on to explain that staff assessed other accessory buildings / detached garages in this area. While this one does exceed size and height requirements, it will not be very visible to passersby. Staff sent out 103 notices to adjacent property owners and occupants within 500' of the subject property. Staff received back one notice in favor and one notice in opposition.

Mayor Johannesen opened the public hearing, asking if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the Public Hearing.

Councilmember Lewis moved to approve Z2024-029. Councilmember Moeller seconded the motion.

Mayor Pro Tem Jorif sought and received clarification on an existing structure that's currently located on this portion of the property. He expressed concern that, if the Council approves this request, someone else who lives nearby may come along and want to build an even bigger one at their location in the future. Councilmember McCallum pointed out that the closest neighbor did reply to the zoning notification and expressed having no concerns with the SUP being approved. Following brief, additional comments, the ordinance caption was read as follows:

**CITY OF ROCKWALL
ORDINANCE NO. 24-XX
SPECIFIC USE PERMIT NO. S-3XX**

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE UNIFIED DEVELOPMENT CODE (UDC) [*ORDINANCE NO. 20-02*] OF THE CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR A *DETACHED GARAGE* THAT EXCEEDS THE MAXIMUM SIZE AND HEIGHT ON A 0.3168-ACRE PARCEL OF LAND, IDENTIFIED AS LOT 3, BLOCK 5, GARNER ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; AND MORE SPECIFICALLY DESCRIBED AND DEPICTED IN *EXHIBIT 'A'* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion passed by a vote of 5 ayes, 1 nay (Jorif), and 1 absence (Thomas).

3. **Z2024-030** - Hold a public hearing to discuss and consider a request by David Bohorquez for the approval of an ordinance for a *Specific Use Permit (SUP)* for *Residential Infill Adjacent to an Established Subdivision* on a 0.2273-acre parcel of land identified as Lot 5, Block B, Harbor Landing, Phase 2, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8) for Single-Family 10 (SF-10) District land uses, addressed as 329 Harborview Drive, and take any action necessary (**1st Reading**).

Planning Director, Ryan Miller provided background information concerning this agenda item. The subject property is addressed as 329 Harborview Drive, and the applicant is seeking approval for an SUP in order to construct a two-story 5,086 square foot residential home. In this case, the applicant is proposing a single-family home that is non-conforming to two (2) standards outlined in the Unified Development Code (UDC). These are as follows:

(1) **Garage Orientation.** According to Section 04, *Residential Parking*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), "(i)n single-family or duplex districts, parking garages must be located at least 20-feet behind the front façade for front entry garages ..." In this case, the proposed garage is located approximately four (4) feet in front of the front façade of the single-family home. When looking at this non-conformity, staff should point out that since the construction range for housing in this phase of the Harbor Landing Subdivision extends from 1992-2021, there are several examples of houses in this area that have a similar garage configuration.

(2) **Roof Pitch.** According to Subsection 03.01(A), *General Residential District Standards* of Article 05, *District Development Standards*, of the Unified Development Code (UDC), all residential structures shall be constructed with a minimum 3:12 roof pitch. In this case, the

applicant is requesting a single-family home with roof pitches of 1¾ :12 and 2:12. Staff should point out that there are other homes in this phase of the Harbor Landing Subdivision with roofs that are similar to the roof design being proposed by the applicant.

Following Mr. Miller’s comments, Mayor Johannesen opened the public hearing, asking if anyone would like to come forth and speak at this time. There being no one indicating such, he then closed the Public Hearing.

Councilmember Lewis moved to approve Z2024-030, commenting that the proposed home does match nearby houses. Councilmember Campbell seconded the motion. The ordinance caption was read as follows:

**CITY OF ROCKWALL
ORDINANCE NO. 24-XX
SPECIFIC USE PERMIT NO. S-3XX**

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 8 (PD-8) [*ORDINANCE NO. 23-40*] AND THE UNIFIED DEVELOPMENT CODE (UDC) [*ORDINANCE NO. 20-02*] OF THE CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS, AS PREVIOUSLY AMENDED, SO AS TO GRANT A SPECIFIC USE PERMIT (SUP) FOR *RESIDENTIAL INFILL ADJACENT TO AN ESTABLISHED SUBDIVISION* TO ALLOW THE CONSTRUCTION OF A SINGLE-FAMILY HOME ON A 0.2273-ACRE PARCEL OF LAND, IDENTIFIED AS LOT 5, BLOCK B, OF THE HARBOR LANDING, PHASE 2 ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS; AND MORE SPECIFICALLY DESCRIBED AND DEPICTED IN *EXHIBIT ‘A’* OF THIS ORDINANCE; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion to approve passed by a vote of 6 ayes, 0 nays, and 1 absence (Thomas).

TO: Mayor and City Council
DATE: August 5, 2024
APPLICANT: Brian Berry; PR BBS, LLC
CASE NUMBER: P2024-026; *Final Plat for Lot 1, Block A, Vigor Way Plaza Addition*

SUMMARY

Consider a request by Brian Berry of PR BBS, LLC for the approval of a Final Plat for Lot 1, Block A, Vigor Way Plaza Addition being a 1.74-acre parcel of land identified as Lot 1, Block A, BW Plus Executive Residency Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within the IH-30 Overlay (IH-30 OV) District, addressed as 550 E. IH-30, and take any action necessary.

PLAT INFORMATION

- Purpose. The applicant is requesting approval of a Final Plat for a 1.74-acre parcel of land (*i.e. Lot 1, Block A, Vigor Way Plaza Addition*) for the purpose of establishing the required easements for the development of a two (2)-story *Office Building* on the subject property.
- Background. The subject property was annexed on November 7, 1960 by *Ordinance No. 60-04 [Case No A1960-004]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. According to the January 3, 1972 *Historic Zoning Map*, at some point between the time of annexation and January 3, 1972, the subject property was rezoned from Agricultural (AG) District to a Commercial (C) District. On August 4 2008, the City Council approved a Specific Use Permit (SUP) by *Ordinance No. 08-37 [Case No. Z2008-013]* to allow a *Hotel* in a Commercial (C) District and to allow a *Building Greater than 36-feet in Height* within the Scenic Overlay (SO) District. On October 14, 2008, the Planning and Zoning Commission approved a site plan [*Case No. SP2008-029*] for a four (4)-story hotel on the subject property. On July 6, 2009, the City Council approved a replat [*Case No. P2009-013*] to establish the necessary easements for the four (4)-story hotel. Ultimately, this Specific Use Permit (SUP) and site plan expired in accordance with the requirements of the Unified Development Code (UDC). On March 3, 2017, the City Council approved another Specific Use Permit (SUP) [*Ordinance No. 17-12; S-163*] to allow for a *Hotel/Residency Hotel* in a Commercial (C) District and to allow a *Building Greater than 36-feet in Height* within the Scenic Overlay (SO) District. Following this approval, the Planning and Zoning Commission approved a site plan [*Case No. SP2017-019*] for the *Hotel* on August 25, 2017; however, the *Hotel* was never constructed, and the Specific Use Permit (SUP) and site plan expired on August 25, 2019. On March 12, 2024, the Planning and Zoning Commission approved a site plan [*Case No. SP2024-004*] for a two (2)-story *Office Building* on the subject property.
- Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this Final Plat -- conforming to the requirements for plats as stipulated by the *Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional Approval. Conditional approval of this Final Plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the *Municipal Code of Ordinances*.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the Final Plat for *Lot 1, Block A, Vigor Way Plaza Addition*, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) shall be addressed prior to the filing of this Final Plat; and,
- (2) Any construction resulting from the approval of this Final Plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On July 30, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the Final Plat by a vote of 5-0, with Commissioner Hustings absent and one (1) seat open.

TO: Mayor and City Council
CC: Mary Smith, *City Manager*
Joey Boyd, *Assistant City Manager*
FROM: Ryan Miller, *Director of Planning and Zoning*
DATE: August 5, 2024
SUBJECT: MIS2024-016; *Exception Request for 559 E. IH-30 (i.e. Rockwall Village Shopping Center)*

On June 14, 2024, the applicant -- *John Hagaman of Sabre Realty* -- submitted an application requesting an exception to allow artificial or synthetic plant materials (*i.e. artificial turf/grass*), that had been installed without a building permit, to remain on the subject property at 559 E. IH-30. The subject property -- *also known as Carlisle Plaza* -- is a 10.104-acre parcel of land (*i.e. Lot 3 of the Carlisle Plaza Addition*) that is zoned Commercial (C) District, and is situated in between Ridge Road and IH-30. With the submittal of this application, the applicant also included a letter stating that the artificial turf has helped in controlling the amount of dust coming into the businesses within the shopping center, and that it may be beneficial in controlling allergens and airborne bacteria normally associated with natural plantings. The applicant also indicated that it was a more visually appealing alternative to grass and/or the other substrates that were previously been installed in the landscape islands, and provided images of the four (4) parking lot islands [see *Figure 1*].

FIGURE 1: PHOTOS PROVIDED BY THE APPLICANT OF THE AREAS WITH ARTIFICIAL TURF

Through aerial imagery staff has verified that the artificial turf has been in place since at least January 2023. Staff should note that prior to June 2024 artificial or synthetic plant materials were prohibited on all residential and non-residential properties in the City of Rockwall; however, on June 3, 2024 the City Council adopted *Ordinance No. 24-21*, which allowed artificial or synthetic plant materials on residential properties under certain circumstances and granted the Planning and Zoning Commission the ability to grant exceptions for non-residential properties subject to certain criteria. Specifically for non-residential properties, Section 04, *Landscape Materials*, of Article 08, *Landscape and Fence Standards*, of the Unified Development Code (UDC) was changed to state that “(a)rtificial or synthetic plant materials (*e.g. artificial grass, turf, trees shrubs*) shall be prohibited on all non-residentially zoned property; however, the Planning and Zoning Commission can grant an *Exception* in accordance with the procedures contained in Article 09.01, *Exceptions to the General Standards*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC) where it is found that the artificial plant materials are integral to the operations of the proposed non-residential land use or where it will serve as an on-site amenity to the non-residential land use.”

Based on this section of the Unified Development Code (UDC), staff brought the applicant’s exception request forward to the Planning and Zoning Commission on June 25, 2024, and the Planning and Zoning Commission approved a motion to deny

the request without prejudice by a vote of 6-0 (*with one [1] open seat*). Since this case was denied without prejudice, the applicant was able to resubmit the original application without having to wait the one (1) year reapplication period, and on July 19, 2024 the applicant resubmitted the same application. The only new information provided by the applicant was a specification sheet/test report indicating that the installed product did not contain PFAS (*i.e. Perfluorinated Alkylated Substances*). This new application was presented to the Planning and Zoning Commission on July 30, 2024, and the Planning and Zoning Commission failed to pass a motion to approve the case by a vote of 3-2 (*with Commissioners Womble and Conway dissenting, Commissioner Hustings absent, and one [1] open seat*). No other motions were made after the failed motion, and -- *in accordance with the procedures of the Unified Development Code (UDC)* -- the case was deemed to be denied with prejudice. Staff should note that according to the procedures of Article 09.01, *Exceptions to the General Standards*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC) all exceptions require the approval of a supermajority vote (*i.e. a three-fourths vote of those members present*), with a minimum of four (4) votes in the affirmative required for approval.

In response to this action and in accordance with the procedures of Article 09.01, *Exceptions to the General Standards*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC), the applicant submitted an appeal to the Director of Planning and Zoning on July 31, 2024 requesting that the case to be heard by the City Council. According to the referenced section of the Unified Development Code (UDC), "(i)f the Planning and Zoning Commission denies a request for an exception, the applicant may appeal the decision to the City Council by filing a written appeal to the Director of Planning and Zoning or his/her designee. Approval of any exception to the requirements of this section by the Planning and Zoning Commission or City Council shall require a supermajority vote (*i.e. a three-fourths vote of those members present*), with a minimum of four (4) votes in the affirmative required for approval." In reviewing a request for an appeal, the City Council should consider the same criteria for granting an exception as the Planning and Zoning Commission [*Section 09.03; UDC*]. This criterion is as follows:

- (a) If the proposed compensatory measures sufficiently offset the requested variance or exception.
- (b) If such a request will substantially or permanently injure the appropriate use of adjacent property.
- (c) If such a request will adversely affect the health, safety, and/or general welfare of the public.
- (d) If such a request will be contrary to the public interest.
- (e) If such a request will authorize the operation of a use other than those uses specifically authorized for the district in which the subject property is located.
- (f) If such a request will be in harmony with the spirit and intent of the Unified Development Code (UDC), Comprehensive Plan, and/or other City policies.
- (g) If such a request will alter the essential character of the district in which the subject property is located.
- (h) If such a request will substantially weaken the general purpose of the zoning requirements established for the district in which the subject property is located.

In the attached packet, staff has included the previous packets from the June 25, 2024 and July 30, 2024 Planning and Zoning Commission meetings, which include all the documents and pictures submitted by the applicant for the requests along with staff's memorandums. Staff has also attached a copy of the applicant's request to appeal the case to the City Council. Should the City Council have any questions concerning this case, staff and the applicant will be available at the August 5, 2024 City Council meeting.

Subject: Rockwall Village Artificial Turf

Ryan,

I would like to formally appeal last night's decision to the City Council.

This artificial turf installation has been in the Rockwall Village shopping center since Fall of 2020. Although this was placed there before a variance was requested, I wish for it to remain in place. We have struggled for years to maintain adequate plant material in these islands based on irrigation and the amount of high traffic that this area receives. This center was built long before the current standards for percentage of landscaping for the amount of concrete parking area that is in this center. We never want to waste any of the small amount of green space that this center does have, with adding more hardscape materials. Grass that wouldn't grow and the mud that was created made these islands difficult for our maintenance teams.

The manufacturing process and quality of artificial turf over the years has drastically improved. The life span and maintenance requirements are much less today than they were just 5 years ago. Areas with turf installation require no irrigation. This is widely beneficial to our teams since there are no possible breaks, and beneficial to the Rockwall area in that water consumption is reduced. More commercial applications will be made in the future as this product continues to evolve. I urge the city to use this installation as a case study to evaluate how other areas could benefit from its use. From city and RISD properties, artificial turf has many advantages that more and more people are becoming aware of.

Since the installation of this turf, our tenants in this area of the center have noticed the reduced amount of dirt and debris that is tracked into their locations. We strive to create the best property for our tenants and thus this center has never been below 85% capacity. Additions like the turf continues to give the best landscaping appeal that we can to our tenants and their customers, given the external factors mentioned above.

I formally request that the city council grant the variance for this project.

Sincerely,

John Hagaman

TO: Planning and Zoning Commission
FROM: Angelica Guevara, *Planning Technician*
DATE: July 30, 2024
SUBJECT: MIS2024-016; *Exception Request for 559 E. IH-30 (i.e. Rockwall Village Shopping Center)*

On June 25, 2024, the Planning and Zoning Commission denied a request by the applicant -- *John Hagaman of Sabre Realty* -- for an exception to allow the installation of artificial or synthetic plant materials (*i.e. artificial turf/grass*). In making the motion the Planning and Zoning Commission stipulated that the denial was without prejudice, and the motion passed by a vote of 6-0. Since the Planning and Zoning Commission indicated that the denial was without prejudice, the applicant was able to resubmit a new application at the following application deadline. Based on this, the applicant resubmitted a development application on July 19, 2024, requesting the approval of an exception to the landscape material requirements to allow the installation of artificial or synthetic plant materials (*i.e. artificial turf/grass*). The subject property is located on a 10.104-acre parcel of land (*i.e. Lot 3 of the Carlisle Plaza Addition*), is zoned Commercial (C) District, is situated within the IH-30 Overlay (IH-30 OV) District and the Scenic Overlay (SOV) District, and is addressed as 559 E. IH-30. As part of the new application, the applicant submitted a letter stating that the artificial turf is currently installed on the parking lot islands and is making the request to allow it to remain in place [see *Figure 1*].

FIGURE 1: PHOTOS PROVIDED BY THE APPLICANT OF THE AREAS WITH ARTIFICIAL TURF

According to Section 04, *Landscape Materials*, of Article 08, *Landscape and Fence Standards*, of the Unified Development Code (UDC), “(a)rtificial or synthetic plant materials (*e.g. artificial grass, turf, trees shrubs*) shall be prohibited on all non-residentially zoned property however, the Planning and Zoning Commission can grant an *Exception* in accordance with the procedures contained in Article 09.01, *Exceptions to the General Standards*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC) where it is found that the artificial plant materials are integral to the operations of the proposed non-residential land use or where it will serve as an on-site amenity to the non-residential land use.” As was stated in the letter, the applicant feels the artificial turf helps to control the amount of dust coming into the businesses and may be beneficial in controlling allergens and airborne bacteria normally associated with natural plantings. The applicant has also indicated that this creates a positive visual appeal to consumers visiting the local stores. In addition, the applicant stated that by approving this exception, the Planning and Zoning Commission may use this as a case study for additional requests within the City of Rockwall. In regard to this, the applicant provided a specification sheet for the existing artificial turf that shows that the product does not contain PFAS (*i.e. Perfluorinated Alkylated Substances*). With this being said, the approval of an exception to the landscape material requirements is a discretionary decision for the Planning and Zoning Commission. Should the Planning and Zoning Commission have any questions concerning the applicant’s request, staff will be available at the meeting on July 30, 2024.

Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 This is a request for the approval of a Miscellaneous Case for an Exception to allow artificial or synthetic plant materials on a 10.104-acre parcel of land identified as Lot 3 of the Carlisle Plaza Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within IH-30 Overlay (IH-30 OV) District and the Scenic Overlay (SOV) District, addressed as 559 E. IH-30.

I.2 For questions or comments concerning this case please contact Angelica Guevara in the Planning Department at (972) 772-6438, or email aguevara@rockwall.com.

I.3 According to Section 04, Approved Landscape Materials, of Article 08, Landscape and Fence Standards, of the Unified Development Code (UDC), "(a)rtificial or synthetic plant materials (e.g. artificial grass, turf, trees shrubs) shall be prohibited on all non-residentially zoned property." In this case, you are requesting approval of artificial turf landscaping, which requires review by the Planning and Zoning Commission. The code goes on to state that an Exception may be granted by the Planning and Zoning Commission if it is found that the artificial plant materials are integral to the operations of the proposed non-residential land use or where it will serve as an on-site amenity to the nonresidential land use. In this case, the artificial landscaping is currently installed and requires approval by the Planning and Zoning Commission to remain in place.

I.4 Please note the scheduled meeting for this case:

1) Planning & Zoning meeting will be held on July 30, 2024 at 6:00 PM in the council chambers at City Hall.

I.5 Please note that a representative is required to be present for the meeting to answer any questions the Planning and Zoning Commission may have regarding your request.

I request a variance for the application of artificial turf on parking lot islands in the Rockwall Village shopping center located on the corner of Ridge Road & Interstate 30.

The use of this material aids in the maintenance and cleanliness of not only the shopping center, but more importantly the cleanliness of the businesses in close proximity. Retail customers are no longer bringing in additional dust and debris into the suites. This is not only beneficial to the business but essential when it comes to controlling allergens and airborne bacteria that is normally associated with natural plantings. This also helps to create a lush landscape feeling which is part of the visual appeal to consumers spending their money in local stores, but to the owners themselves and seeing added value in executing and renewing leases in this location.

Although this application has already been installed I wish for the board to make an exception and use this location as a case study for additional requests in the future of Rockwall.

Sincerely,

John Hagaman

TO: Planning and Zoning Commission
FROM: Angelica Guevara, *Planning Technician*
DATE: June 25, 2024
SUBJECT: MIS2024-013; *Exception Request for 559 E. IH-30 (i.e. Rockwall Village Shopping Center)*

The applicant, John Hagaman of Sabre Realty, is requesting the approval of an exception to the landscape material requirements stipulated by Article 08, *Landscape and Fence Standards*, of the Unified Development Code (UDC) to allow the installation of artificial or synthetic plant materials (*i.e. artificial turf/grass*). The subject property is located on a 10.104-acre parcel of land (*i.e. Lot 3 of the Carlisle Plaza Addition*), is zoned Commercial (C) District, is situated within the IH-30 Overlay (IH-30 OV) District and the Scenic Overlay (SOV) District, and is addressed as 559 E. IH-30. The applicant’s letter indicates that artificial turf was installed in some areas on the subject property over two (2) years ago, and is requesting that these areas remain in place (*see Figure 1*).

FIGURE 1: PHOTOS PROVIDED BY THE APPLICANT OF THE AREAS WITH ARTIFICIAL TURF

According to Section 04, *Landscape Materials*, of Article 08, *Landscape and Fence Standards*, of the Unified Development Code (UDC), “(a)rtificial or synthetic plant materials (*e.g. artificial grass, turf, trees shrubs*) shall be prohibited on all non-residentially zoned property however, the Planning and Zoning Commission can grant an *Exception* in accordance with the procedures contained in Article 09.01, *Exceptions to the General Standards*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC) where it is found that the artificial plant materials are integral to the operations of the proposed non-residential land use or where it will serve as an on-site amenity to the non-residential land use.” As previously stated, the artificial turf was placed on the areas shown above approximately two (2) years ago due to the areas being high pedestrian traffic areas or unable where grass has been difficult to establish. The applicant has also indicated that this is more aesthetically pleasing and that water runoff has not been affected by the installation of the artificial turf. In addition, the applicant has stated that the artificial turf helps reduce the amount of dust and debris being brought into tenant’s stores in the shopping center. With this being said, the approval of an exception to the landscape material requirements is a discretionary decision for the Planning and Zoning Commission. Should the Planning and Zoning Commission have any questions concerning the applicant’s request, staff will be available at the meeting on June 25, 2024.

06/19/2024: MIS2024-013; Exception Request for 559 E. IH-30

Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 This is a request by request by John Hagaman of Sabre Realty for the approval of a Miscellaneous Case for an Exception to allow artificial or synthetic plant materials on a 10.104-acre parcel of land identified as Lot 3 of the Carlisle Plaza Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, situated within IH-30 Overlay (IH-30 OV) District and the Scenic Overlay (SOV) District, addressed as 559 E. IH-30.

I.2 For questions or comments concerning this case please contact Angelica Guevara in the Planning Department at (972) 772-6438, or email aguevara@rockwall.com.

I.3 According to Section 04, Approved Landscape Materials, of Article 08, Landscape and Fence Standards, of the Unified Development Code (UDC), "(a)rtificial or synthetic plant materials (e.g. artificial grass, turf, trees shrubs) shall be prohibited on all non-residentially zoned property." In this case, you are requesting approval of artificial turf landscaping, which requires review by the Planning and Zoning Commission. The code goes on to state that an Exception may be granted by the Planning and Zoning Commission if it is found that the artificial plant materials are integral to the operations of the proposed non-residential land use or where it will serve as an on-site amenity to the nonresidential land use. On behalf of Sabre Realty I request a variance for the artificial turf that was installed in the Rockwall Village shopping center 2 years ago. This was placed because the areas are either high traffic or unable to grow grass.

I request that the City of Rockwall grant a variance to allow this installation to remain. Not only is this aesthetically more pleasing than anything else that could be installed, but it also helps to keep down the amount and dust and debris that are tracked into several of our tenants locations. These pieces of turf are so small that run off water will not be affected by the materials to manufacture it.

Rockwall Pursues Tourism Friendly Community Designation

Rockwall, Texas — June 14, 2024 — Visit Rockwall is excited to announce its pursuit of the Tourism Friendly Community designation, a new initiative designed to foster tourism as a vital economic development strategy across Texas. The Rockwall City Council will formally recognize this commitment with a proclamation at the upcoming City Council meeting on Monday June 17th, 2024.

The Tourism Friendly Certified Community Program, established by the State Tourism Office, aims to support and encourage communities to leverage tourism for economic growth. This program provides valuable resources and guidance throughout a yearlong certification process. Rockwall is currently at the City Proclamation Stage, with the goal of completing this step by July.

Visit Rockwall Director, Jodi Willard, expressed optimism about the designation, stating, "This initiative represents a fantastic opportunity to showcase Rockwall as a premier tourism destination. The resources and support from the State Tourism Office will be instrumental in highlighting the unique attractions and charm of our community."

The Office of the Governor will begin designating cities that complete the certification process starting January 2025. Rockwall is proud to be among the select cities working towards this prestigious recognition.

MEMORANDUM

TO: Honorable Mayor & City Council Members

FROM: Kristy Teague – City Secretary/Asst. to the City Manager

DATE: August 2, 2024

SUBJECT: Possible City Charter Amendments

Councilmember McCallum has expressed interest in possible amendments to the City Charter and recently inquired from the city attorney regarding the process. City Attorney Frank Garza has advised the following:

1. A charter amendment may be initiated by city council, which, on its own motion, may order an election for the purpose of submitting a proposed charter amendment to the qualified voters of the city per Section §9.004(a) Tex Loc Govt Code. This would be done by council adopting an ordinance calling for an election identifying the proposed charter, which would then go to the voters. Under this provision, there are no requirements for a Charter Commission.
2. A Charter Review Commission is established per City Charter and makes recommendations for Charter amendments. Those charter amendments would need council approval to call an election and send them to the voters.
3. A petition signed by at least five percent (5%) of the qualified voters of the city or 20,000 qualified voters, whichever number is less per Section §9.004(a) Tex Loc Govt Code. When the requirements of a petition are met, the proposed amendments must be put to a vote. Council has no option but to call the election if charter amendments were submitted by the voters.

Councilmember McCallum will be present at Monday's meeting to discuss in more detail the possible amendment(s) he has in mind. Also, City Attorney Frank Garza will be able to answer any questions Council may have related to the associated timeline and statutory requirements.

The City Charter was originally adopted in January of 1985 and was thereafter amended in May of 1988, 1993, 1996, 2005 and – most recently – in 2015. Each Charter (Amendment) Election has occurred after a Charter Review Commission* was established by Council, met and made recommendations to Council concerning Charter-related propositions that should then go on a ballot for voters to consider.

* Exception: A Charter Review Commission was established by City Council in the late 2008 to early 2009 timeframe; however, a Charter Amendment Election never ended up being called as a result of that Commission's work and associated recommendations at the time. All other times when the Council has formed a Charter Review Commission, a Charter Amendment Election has ultimately been called and held.
