Mayor Fowler called forth Alma Ramirez, president of the Rockwall LULAC organization. He then read and presented her and her comrades with this proclamation. A member of the Rockwall Hispanic Republicans Club also briefly spoke, thanking various individuals for their contributions to the local community and thanking the City Council for presenting this proclamation this evening.

VII. OPEN FORUM

Mayor Fowler explained how Open Forum is conducted, asking if anyone would like to come forth and speak at this time.

Stan Jeffus
2606 Cypress Drive
Rockwall, TX 75087

Mr. Jeffus came forth and reminded Council that he was here at a city council meeting a couple of months back to share concerns about drainage-related issues that he and his neighbors have been experiencing in the Ridgcrest subdivision where they live. Mr. Jeffus went on to provide a lengthy presentation and speak in great detail about drainage-related concerns and the developer of his neighborhood.

David Wrightson
5803 Yacht Club Drive
Rockwall, TX 75032

Mr. Wrightston came forth and indicated that he lives in the Chandler's Landing subdivision. He has great concerns about Suntext Marina's proposal to reconstruct some of the boat docks and drastically change the view that residents of Chandler's Landing have enjoyed for years at the Yacht Club. He stressed that the view of the lake is very important, and he implored the City Council to do whatever it can possibly do to stop the proposed changes to the docks.

Christopher Curry
314 Prairie View Road
Rockwall, TX

Mr. Curry came forth and shared that he too has concerns about drainage problems within the Ridgcrest subdivision, as previously expressed by Mr. Jeffus. He shared that when he lived in the Stonecreek subdivision (also developed by "Skorburg"), there were also very similar drainage-related

problems. He expressed extreme dissatisfaction with the Skorburg developer and his lack of attention to drainage within the subdivisions he builds.

Tiki Sherman
702 Laurence Drive
Heath, TX 75032

Mrs. Sherman came forth and shared that she came to the Rockwall area to live about twenty years ago; however, she does not live within the Chandler's Landing subdivision – yet. She did, however, move to this area because of the sailing-related opportunities on Lake Ray Hubbard. She went on to explain that she and her husband are avid sailors and lovers of the sailing sport and sailing-related competitions. She and her husband and family recently chose to celebrate an important birthday at Chandler's Landing so that they could enjoy the view of both the sailboats and the lake, which are both very important to them.

Chip Imrie
323 Harbor Landing Drive
Rockwall, TX 75032

Mr. Imrie came forth and shared that he has lived in the Chandler's Landing subdivision for the last twenty-three years. He pointed out that Suntex has not contacted the Chandler's Landing Homeowner's Association or any of the residents within the neighborhood in an attempt to talk thru what they are proposing to do with reconstruction of the boat docks. Suntex is not a 'good neighbor,' they are trying to "cram this down our throats" (the boat dock changes), and he encouraged the City Council to protect the interests of the residents of Chandler's Landing and their \$4 million dollar investment with the best view on any lake in the DFW area.

Bob Wacker
309 Featherstone Drive
Rockwall, TX

Mr. Wacker came forth and briefly spoke about drainage, the Skorburg developer and retention and detention ponds. He explained that there have been issues with these types of ponds within the Stonecreek subdivision too. His subdivision's detention pond (in Stonecreek) stays wet, has a very slight slope, and he wonders if it was poorly designed. He wonders if there is more the city can do and perhaps not put the entire burden on a subdivision's HOA 'after the fact.'

Roy Kuipers
333 Yacht Club Drive
Rockwall, TX 75032

Mr. Kuipers came forth and shared that he is a long-term resident of Chandler's Landing (35 years). He shared that he and his neighbors are strongly opposed to Suntex Marina's proposed changes to the existing boat docks at Chandler's. He especially has concerns about how the existing boat docks will negatively impact the current views that residents and Yacht Club visitors enjoy. He strongly urged the City Council to help preserve the Chandler's Landing community and the current tranquility, view and quality of life that residents enjoy.

Vicky Chesna
5727 Cross
Rockwall, TX (Chandler's Landing)

She explained she has lived in Chandler's Landing for the past 30 years but has lived in Rockwall since 1972. She is a realtor, and the lake is so important to our community. She has heard talk that some of the sailboats currently docked at Chandler's might move to Rowlett. She encouraged the Council to help keep the sailboats locally here in Rockwall and not give them to Rowlett.

Patrick Woods
2601 Cypress Drive
Rockwall, TX 75087
(Ridgecrest Subdivision resident)

Mr. Woods came forth and spoke, indicating that something is wrong and 'out-of-the-ordinary' when it comes to the drainage related concerns in his neighborhood. He suggested that perhaps some of the residents might meet with city representatives regarding these concerns that have been expressed by residents living within his neighborhood.

Christy Hester
405 Fox Hollow Drive
Rockwall, TX

Mrs. Hester came forth and indicated that she lives in the Ridgecrest subdivision, and she is an attorney by profession. She indicated that even though the plans were signed off on, something is not right. There are currently 42 houses in the subdivision with a handful more being built. It would cost over \$1,000 per household if a special assessment were to be implemented to help fix the drainage problems within the Ridgecrest subdivision. She encouraged the city to set a private meeting with homeowners to try and help them get their concerns addressed related to the Skorburg developer and drainage related concerns.

Philomena Buxton
5502 Yacht Club
Rockwall, TX 75032

Ms. Buxton shared that she lives with her parents in Chandler's after getting laid off from her job in Houston due to COVID. She went on to express that she has a problem with Suntex indicating they will move forward with boat dock (re)construction later this month, but they have not even obtained any permits from the City of Dallas or the City of Rockwall. She explained that people in the Houston area lived in subdivisions with similar drainage problems as many residents have expressed this evening, and their homes had 3 feet of water in them during Hurricane Harvey. She urged the city to help do something to rectify the issues.

There being no one else indicating a desire to speak, Mayor Fowler then closed Open Forum.

Councilmember Macalik clarified that Suntex is proposing to take the slips from 49 uncovered clips down to 36 uncovered boat slips (for sailboats). Councilmember Macalik and Mayor Fowler encouraged the Suntex representatives to meet with the Chandler's Landing neighborhood residents, at large, in order to talk thru the proposed changes to the boat docks and glean some input and support before asking the City Council to act upon the proposed changes.

Councilmember Campbell asked for and received some additional clarification on the proposed changes.

Mayor Fowler shared that the Council will not be taking any action this evening concerning this particular agenda item.

XI. PUBLIC HEARING ITEMS

1. Hold a public hearing to receive comments regarding the Proposed FY2022 City of Rockwall Budget and tax rate, and take any action necessary.

City Manager, Mary Smith, provided background information on this agenda item. She shared that the proposed budget reflects a proposed tax rate of .35 cents, which is .02 cents less than last year's. She went on to briefly highlight some of the items in the proposed, upcoming budget.

Mayor Fowler asked if anyone would like to come forth and speak concerning this Public Hearing item.

**Jenny Krueger
805 Heath Street
Rockwall, TX**

Mrs. Krueger thanked Council for considering requested funding in the budget that will benefit the local Boys & Girls Club. She went on to explain the reasons behind the funding request and what, in general, the money will be utilized for.

**Bob Wacker
309 Featherstone
Rockwall, TX**

Mr. Wacker came forth and shared that citizens' tax dollars fund the Rockwall Economic Development Corporation (REDC), and he believes that there should be a lot more transparency associated with the REDC and its funding. Discussion ensued between Council and Mr. Wacker concerning REDC board meetings, what the REDC does, the services it provides to the community, and how it is funded (thru sales taxes). Mayor Pro Tem Hohenshelt challenged Mr. Wacker on some things he seemed to "insinuate" as part of his comments, and he encouraged Mr. Wacker to actually come and attend the REDC board meetings. Hohenshelt indicated that a portion of the meetings do involve private, 'Executive Session' discussions; however, a good portion of the REDC board meetings are open to the public, and anyone is welcome to attend.

There being no one else wishing to come forth and speak at this time, Mayor Fowler then closed the Public Hearing.

Mayor Fowler made a motion to instruct the City Manager to move forward with advertising the .35 cent proposed tax rate for adoption at the September 20 city council meeting. Councilmember Jorif seconded the motion, which passed by a vote of 7 ayes to 0 nays.

XII. ACTION ITEMS

- 1. Planning Director, Ryan Miller provided background information pertaining to this agenda item. This change will take "Urban Residential" from a permitted 'by right' land use to an SUP. The changes will ensure that there is oversight, public hearings, and full council discretion when approving these types of developments moving forward. Modification to the definition of "Urban Residential" in the downtown district is also being proposed. It will also prohibit multifamily apartments in the downtown, but 'lofts above retail' and townhomes would be allowed (with public hearings being held and an approved SUP by Council). Discussion took place pertaining to the timing associated with these changes and any new development applications that may be received by the city between now and when these changes are enacted. Following additional discussion, no action was taken regarding this agenda item this evening.

2. Discuss and consider appointments to the city's Youth Advisory Council (YAC), and take any action necessary.

City Secretary, Kristy Cole, explained that interviews were recently held with students who applied to serve on the 2021-2022 Rockwall Youth Advisory Council. Ms. Cole indicated that three students live in Fate, and one student lives in Heath. She has reached out to each of those cities to secure financial sponsorships (\$250/each) for those students, and she feels confident that those cities will financially support those few students. Following brief comments, Councilmember Campbell moved to reappoint the 8 returning YAC students and the four (4) new appointees, including the following:

Seniors: Mazie Johnson (Rockwall); Peyton Nielsen (Rockwall); Carissa Heimer (Rockwall); Rylee Braaten (Fate).
