RE: Honda of Rockwall

Dear Ms. Williams:

A representative of this company visited the site and has visually verified to the best of the engineer's professional opinion, knowledge and belief, that based on my observations along with survey work conducted at the site, the final grading, detention pond, and site drainage comply with the City approved plans and details.

Please feel free to contact me with any questions or concerns.

Sincerely,
SPIARS ENGINEERING, INC.

Kevin S. Wier, P.E.
