RE: J.E.R. Chilton YMCA Letter of Concurrence

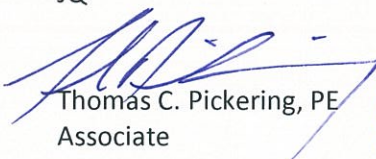

Dear Mr. Duke:

RLG, Inc. performed an as-built survey for the J.E.R. Chilton YMCA at Rockwall in November 2014. Under my supervision, a representative of JQ, qualified by education and experience, made on-site observations of the as-built survey data and determined that there were some errors in the site grading as compared to the design elevations provided by JQ.

RA Ramos GC, has since corrected these items. And on 5/5/15, JQ visited the site again and visually verified to the best of the engineer's professional opinion, knowledge and belief that based on our observations along with the survey work provided by RLG conducted at the site, the final grading and site drainage comply with the City approved plan and details.

In recognition of the above, I affix my seal beside my signature at the bottom of this letter. This letter neither warrants nor implies warranty of the contractor's material or workmanship.

Sincerely,
JQ
