"THE NEW HORIZON"

TO: Rockwall Boat and RV Storage
FROM: Mary Nichols, Administrative Aide
RE: P&Z Case No. 86-54-Z/CUP

On September 11, 1986 the Rockwall Planning and Zoning Commission recommended approval of your request for a change in zoning from "A" to "LI" and approval of a Conditional Use Permit for a Mobile Home Security office and Manager's Residence on I-30 East of High School Road.

The Rockwall City Council will (hold a public hearing and consider approval) (consider approval) of your request on October 6, 1986 beginning at 7:30 P.M. at the City Hall, 205 West Rusk. If you have any questions regarding this matter or the meeting schedule, please do not hesitate to call.

IV. Hold Public Hearing and Consider Approval of a Request from Rockwall Boat and RV Storage for a Change in Zoning from "A" Agricultural to "LI" Light Industrial with a "CUP" Conditional Use Permit for a Mobile Home Used as Resident Security on a Six Acre Tract of Land Located on South I-30

At your last meeting you also considered a request from Rockwall Boat and RV Storage located along the South I-30 Service Road in the newly annexed area to rezone their property from Agricultural to Planned Development. The Commission recommended approval of their request to Planned Development zoning. The City Council disapproved the request and indicated that a more appropriate classification to be considered might be Light Industrial. The applicants have followed through now with a request for Light Industrial zoning with a Conditional Use Permit for their mobile home which is used as a residence for their managers and security. Granting Light Industrial zoning will bring the miniwarehouses into conformance. The Conditional Use Permit would bring the mobile home use into conformance. The outside storage of recreational vehicles and trailers to the rear of the property would remain as a nonconforming use and could not be expanded unless the proper zoning classification was later granted on this area. Again, a copy of their rough site plan is attached.

- III. D. P&Z 86-54-Z/CUP - Hold Public Hearing and Consider Request from Rockwall Miniwarehouse and RV Storage for a Change in Zoning from "A" Agriculture to "LI" Light Industrial and Approval of a Conditional Use Permit for a Mobile Home Security Office and Manager's Residence on I-30 East of High School Road

Action Needed: Approval or denial of zone change from "Ag" to "LI" with a "CUP" for mobile home used as security and manager residence, and any conditions for approval.

The applicants plan to be here Thursday to continue their application. I have attached the notes from last meeting and a copy of their site layout.

resolution of the drainage problem prior to construction and that the Commission could approve the request without any waiver to City requirements. Plagens made a motion to approve the request for the final plat with the stipulation that the drainage problem be resolved. Crumbley seconded the motion. The motion was voted on and passed unanimously.

Seligman then opened a public hearing on a request from Gary Williamson for a Conditional Use Permit for an existing structure with less than 90% exterior masonry materials at 302 North San Jacinto.

At this time, 8:25 P.M., Don Smith joined the meeting.

Couch briefly explained the applicant's request, including landscaping plans and proposed irrigation.

Gary Williamson addressed the Commission and stated that he would comply with all the City's parking and landscaping requirements.

As there was no one else wishing to speak, the public hearing was closed.

Plagens asked the number of notices sent out. Couch replied that forty were mailed and three were returned.

Plagens then made a motion to approve the request. Crumbley seconded the motion. The motion was voted on and passed unanimously.

Seligman then turned the chair over to Smith.

[Smith then opened a public hearing on a request from Rockwall miniwarehouse and RV Storage for a change in zoning from "A" Agriculture to "LI" Light Industrial and approval of a Conditional Use Permit for a mobile home security office and manager's residence on I-30 east of High School Road.

As the applicant was not present, there was some discussion about whether or not the Commission should act. Smith stated that Council had previously denied the applicant's request and had suggested that the applicant resubmit the request in this manner.

Seligman made a motion to approve the request with the Condition that one mobile home be permitted for a security office and residence. Plagens seconded the motion. The motion was voted on and passed unanimously with the exception of McCall who abstained.]

Smith then opened a public hearing on a request from the Frates Corporation for a revision in the preliminary
