III.

- D. P&Z 87-58-Z/FP - Hold Public Hearing and Consider Approval of a Request from Dosville Peoples for a Change in Zoning from "SF-7" Single Family to "C" Commercial

Dosville Peoples has submitted a request for a change in zoning from "SF-7" Single Family to "C" Commercial on a tract of land located at the intersection of Goliad and Emma Jane, and a final plat on that same corner. The front portion of the property that has been occupied by the fruit stand is zoned Commercial. The back of the lot is currently zoned "SF-7". The property to the north and east is zoned "SF-7". The property to the west and across the street to the south is zoned Commercial. We have in the past attempted to break zoning districts in the middle of the block so that the districts back up to each other. If the existing lines were tied together this tract would fall into the Commercial zoning. The enclosed location map indicates where this line might fall.

- E. P&Z 87-58-Z/FP - Consider Approval of a Final Plat on a Lot on Emma Jane at SH-205

Mr. Peoples has also submitted a request for a final plat on his entire tract which includes three separate lots. In order to develop the site the interior lot lines must be eliminated. The plat as submitted meets all of our requirements with the exception that 5 feet of right-of-way needs to be dedicated along Emma Jane. This road is shown to be a collector on our Thoroughfare Plan, which is a minimum of 60 feet. There is currently 50 feet of right-of-way. In addition to the dedication, Mr. Peoples will be required to escrow the cost of improving 1/2 of Emma Jane to collector standards because it is currently substandard. The estimated cost is \$18,850.00.

AGENDA NO. VI. H.

AGENDA ITEM: P&Z 87-58-Z/FP - Hold Public Hearing and Consider Approval of an Ordinance Granting a Request from Dosville Peoples for a Change in Zoning from "SF-7" Single Family to "C" Commercial (1st reading)

ITEM GENERATED BY: Dosville Peoples, Applicant

ACTION NEEDED: Hold public hearing and approve or deny ordinance granting the change. If it is denied, the denial would be with prejudice unless otherwise stated in the motion.

BACKGROUND INFORMATION:

Dosville Peoples has submitted a request for a change in zoning from "SF-7" Single Family to "C" Commercial on a tract of land located at the intersection of Goliad and Emma Jane, and a final plat on that same corner. The front portion of the property that has been occupied by the fruit stand is zoned Commercial. The back of the lot is currently zoned "SF-7". The property to the north and east is zoned "SF-7". The property to the west and across the street to the south is zoned Commercial. We have in the past attempted to break zoning districts in the middle of the block so that the districts back up to each other. If the existing lines were tied together this tract would fall into the Commercial zoning. The enclosed location map indicates where this line might fall.

The Planning and Zoning Commission has recommended approval of the request.

AGENDA ITEM: P&Z 87-58-Z/FP - Consider Approval of a Final
Plat on a Lot on Emma Jane at SH-205

ITEM GENERATED BY: Dosville Peoples, Applicant

ACTION NEEDED: Motion to approve or deny final plat.

BACKGROUND INFORMATION:

Mr. Peoples has also submitted a request for a final plat on his entire tract which includes three separate lots. In order to develop the site the interior lot lines must be eliminated. The plat as submitted meets all of our requirements with the exception that 5 feet of right-of-way needs to be dedicated along Emma Jane. This road is shown to be a collector on our Thoroughfare Plan, which is a minimum of 60 feet. There is currently 50 feet of right-of-way. In addition to the dedication, Mr. Peoples will be required to escrow the cost of improving 1/2 of Emma Jane to collector standards because it is currently substandard. The estimated cost is \$18,850.00. He has requested a waiver to this escrow requirement in lieu of his installing curb and gutter and tying in the curb to the existing street.

The Planning and Zoning Commission has recommended approval of the plat and has also recommended that the waiver be granted subject to curb and gutter being installed. The Commission's discussion of this request centered around the uncertainty of what road improvements will finally be made in this area given the questions that have been raised regarding the use of Sam Houston and Fannin as a couplet with Goliad.
