APPLICATION FOR ZONING CHANGE

Case No. 87-69-1 Filing Fee \$110.00 Date 11-16-87

Applicant Kip Estep Phone 722-1130

Mailing Address P.O. Box 2  
Rockwall, Texas 75087

LEGAL DESCRIPTION OF PROPERTY SOUGHT TO BE REZONED: (If additional space is needed for description, the description may be put on a separate sheet and attached hereto.)<sup>1</sup>

( See attached sheets Exhibit-A )

I hereby request that the above described property be changed from its present zoning which is

Agricultural District Classification to

Light Commercial District Classification for  
for the following reasons: (attach separate sheet if necessary)

Proposed new building

There (~~are~~) (are not) deed restrictions pertaining to the intended use of the property.

Status of Applicant:<sup>2</sup> Owner X Tenant \_\_\_\_\_

Prospective Purchaser \_\_\_\_\_

I have attached hereto as Exhibit "A" a plat showing the property which is the subject of this requested zoning change and have read the following concerning the importance of my submitting to the City a sufficient legal description.

Signed Kip Estep

NOTE:

<sup>1</sup>The legal description is used to publish notice of the required hearing and in the preparation of the final ordinance granting the zoning change. The description must be sufficient so as to allow a qualified surveyor to take the description and locate and mark off the tract on the ground. Each applicant should protect himself by having a surveyor or his attorney approve his legal description. Failure to do so by the applicant may result in delay in passage of the final ordinance or the ordinance being declared invalid at some later date because of an insufficient legal description.

<sup>2</sup>If the applicant is someone other than the owner, written acknowledgement by the owner of the zoning request must also be submitted.

EXHIBIT A.

COMMERCIAL ZONING REVIEW CHECKLIST

\* Applicant Kip Estep  
 \* Current Zoning A Land Use Plan Indicates \_\_\_\_\_  
 \* Proposed Zoning C  
 \* Location 54205 Saf Sids, Nat Mims

There are only two reasons why zoning should be changed. Either the original zoning was applied in error or conditions have changed to warrant a change in land use in the area. Any changes must be in accordance with the Comprehensive Plan.

I. Planning and Engineering

	<u>Yes</u>	<u>No</u>
A. Is the proposed zoning (development) strip development?	_____	_____ <u>X</u>
1. Is the parcel(s) too shallow? (200 foot depth minimum)	_____	_____ <u>X</u>
2. Is the parcel(s) owned in small pieces by different owners?	_____	_____ <u>X</u>
3. Is there a potential for an excess of curb cuts?	_____ <u>X</u>	_____
C. Is the proposed commercial use incompatible with existing adjacent land uses, or existing commercial uses in the area?	_____	_____ <u>X</u>
D. Will the proposed activities disturb adjacent residential areas, or depreciate surrounding property with noise, pollution, traffic or other factors?	_____	_____ <u>X</u>
E. Does the proposed rezoning or development disrupt the orderly development of adjacent neighborhoods?	_____	_____ <u>X</u>
F. Is the buffering inadequate and/or is the parcel too small to allow for adequate open space, landscaping and buffering?	_____	_____ <u>X</u>

- G. Is the parcel too small for the proposed use with inadequate parking and/or truck loading areas?
- H. Does the proposed development force commercial traffic through residential neighborhoods or onto residential sized streets?
- I. Does the proposed development mix traffic generated from retail activity with wholesale trucking operations?
- J. Is the overall transportation system adequate to handle the additional traffic?
- K. Are the public facilities and services inadequate to support such development i.e., sewer, water, drainage, electricity, fire protection?  
  - 1. If public facilities are not adequate, is the parcel outside an active growth area and not adjacent to existing facilities and services?
- L. Are there any pollution or environmental hazards and other objectionable hazards affecting the proposed use?
- M. Does the proposed rezoning significantly alter the desired percentage of land uses?
- N. Is the proposed zoning change in conflict with the Master Plan?   *purpose not a zoning change*
- O. Has there been a lack of significant change since the Master Plan Update was adopted that would favor approval of the request though not in conformance with the existing Master Plan? (Substantial zoning changes dictate modification of the Master Plan.)

P. Could the request be considered premature? (Are other things required to happen before the use recommended becomes viable?)

\_\_\_\_\_ X

II. Existing Zoning Pattern (Neighborhood)

A. What is the existing zoning adjacent to site? HC/IC

\_\_\_\_\_

1. What is the predominant zoning in the area? HC/IC/Ag

\_\_\_\_\_

2. Is the area developed the same as it is zoned?

\_\_\_\_\_ X

B. Is the requested zoning incompatible with the existing zoning pattern?

\_\_\_\_\_ X

C. Will the requested change alter a logical transition between zoning types?

"THE NEW HORIZON"

14 December, 1987

Mr. Kip Estep  
P. O. Box 2  
Rockwall, Texas 75087

Dear Mr. Estep:

On December 10, 1987, the Planning and Zoning Commission recommended approval of your request for a change in zoning from "A" Agricultural to "C" Commercial and a site plan/preliminary plat on one acre located on SH-205 south of Sids Road.

On January 4, 1988, the City Council will hold a public hearing and consider approval of your requests. Please provide nine additional copies of the site plan folded to fit into an 8-1/2 x 14" file folder. These must be submitted not later than December 30, 1987, to allow adequate review time for Council.

Feel free to contact me if you have any questions.

Sincerely,

*Mary Nichols*

## "THE NEW HORIZON"

January 11, 1988

Mr. Kip Estep  
P. O. Box 2  
Rockwall, Texas 75087

Dear Mr. Estep:

On January 4, 1988, the Rockwall City Council approved a change in zoning from Agricultural to Commercial and a site plan/preliminary plat for a one acre lot located on SH-205 south of Sids Road.

Please note that an ordinance authorizing the change in zoning must be approved at two separate meetings of Council. The ordinance was approved on first reading at this meeting.

The following is a schedule of your items pending:

January 18th - ordinance considered on 2nd reading before  
City Council

*JAN 14* February 11th - final plat considered by the Planning and  
Zoning Commission

*FEB 1* March 7 - final plat considered by City Council

A building permit may be issued after the final plat is approved by the Council and an executed copy is filed of record with the County. Feel free to call me if you have any questions.

Sincerely,

*Mary Nichols*

P&Z Agenda Notes  
December 10, 1987

- III. A. P&Z 87-69-Z/SP/PP - Hold Public Hearing and Consider Approval of a Request from Kip Estep for a Change in Zoning from "A" Agricultural to "C" Commercial and a Site Plan/Preliminary Plat for a One Acre Lot on SH-205 South of Sids Road

We have received a request for rezoning, site planning and platting for a tract of land on SH-205 that was annexed in 1986. The property, which is currently used as a dental lab, is zoned Agricultural. They have made application for Commercial Zoning and have submitted a site plan showing the existing use and a proposed storage building they want to put on the property. You will also find a copy of the proposed final plat. All of this being generated because they wish to build the storage building at this time.

The property is directly adjacent to the large 86 acre tract on SH-205 that was just recently zoned "C" and "HC". This property abuts the "C" Zoning on the north and this would be a logical extension of this previous zoning.

The site plan and plat as submitted meet our current requirements. We will be prepared to review this proposal Thursday night.

For a Mr. M Located on FM-740 and Horizon Road

ITEM GENERATED BY Whittle Development, Owner

ACTION NEEDED Approval or denial of Final Plat for Mr. M Addition with  
any changes or conditions included in motion

BACKGROUND INFORMATION

At your last meeting the P&Z approved a Conditional Use Permit for this case as well as a site plan and preliminary plat. The Council has also approved these items. The next step is to consider approval of the final plat. The plat as submitted conforms to both our requirements and the preliminary plat. The plat reflects a 10 ft. dedication on FM-740 and a 7-1/2 foot dedication on FM-3097 in accordance with our review of the traffic projections in this area. Joint access easements are also provided along the south property line for future drives to the south.

The utility service for this site is currently available across the street on 3097. Two bores under 3097 will be required to tie the property in. Our long-range water distribution plan calls for the construction of a 12 inch water main along the length of 3097 to ultimately serve this area. While this line is not needed for this small site, we do recommend that approval be subject to the execution of a Developer's Contract that would require initiation of construction of the line with the next phase of development within PD-9.

MINUTES OF THE ROCKWALL CITY COUNCIL  
January 4, 1988

Mayor Frank Miller called the meeting to order with the following members present: Nell Welborn, Jean Holt, John Bullock, Bill Fox and Pat Luby.

Council considered approval of the Consent Agenda which consisted of A) the minutes of December 21, 1987, and B) an ordinance amending the Comprehensive Zoning Ordinance to amend the minimum dwelling size requirement in "SF-7" zoning category on second reading. Assistant City Manager Julie Couch read the ordinance caption. Welborn made a motion to approve the Consent Agenda. Bullock seconded the motion. The motion was voted on and passed unanimously.

Don Smith then gave the Planning and Zoning Commission Chairman's report in which he outlined the Commission's recommendations on 1) a zoning request and site plan submitted by Kip Estep, 2) a Conditional Use Permit request and site plan/preliminary plat for a Mr. M, and 3) a Conditional Use Permit request and site plan for a Mobil Station. At this time, 7:10 p.m. Ken Jones joined the meeting. Smith briefly explained the comments of the Architectural Board of Review on the two applications located within the Scenic Overlay District.

Randy Sanders of Tejanos Cantina addressed Council and requested an amendment to the private club ordinance to allow gaming devices in areas where alcoholic beverages are not served. Council discussed the State sales tax on gaming devices, a possible City permit fee and a possible maximum number of machines per restaurant. After lengthy discussion, Holt made a motion to amend Ordinance 85-2 to read that "no gaming devices shall be permitted inside a private club except in hotels and restaurants so long as the games are not located in areas where alcoholic beverages are sold". Jones seconded the motion. The motion was voted on and passed 4 to 3 with Welborn, Bullock, and Miller voting against the motion.

Council then held a public hearing and considered approval of an ordinance authorizing a change in zoning from Agricultural to Commercial and a site plan/preliminary plat on a one acre lot on SH-205 south of Sids Road. Couch outlined the applicant's request and explained that it generally conformed with current requirements except for the existing parking which was shorter than required. Kip Estep, the applicant, stated that that the parking was used for employees and deliveries. After Council discussion, Couch read the ordinance caption. Fox made a motion to approve the

change in zoning and the site plan/preliminary plat. Bullock seconded the motion. The motion was voted on and passed unanimously.

Miller opened a public hearing on a request for a Conditional Use Permit for gasoline sales as an accessory to a retail use and Council considered approval of a site plan and preliminary plat for a Mr. M located on FM-740 and Horizon Road. Couch outlined the applicant's request and the recommendations of the Planning and Zoning Commission and Architectural Board of Review. She explained that the site plan submitted before Council met almost all conditions recommended by the Commission. Rob Whittle, the current property owner, explained that although the plan originally submitted was a typical Mr. M store, the applicants had attempted to meet all suggestions made by the Commission and the intent of the Scenic Overlay District. Don Smith pointed out that the revised plan did not illustrate a four-sided roof which was a recommendation made by the Commission. Paul Kangus, the applicant, stated that this condition would be met. After Council discussion, Jones made a motion to approve the Conditional Use Permit and site plan/preliminary plat subject to the recommendations of the Planning and Zoning Commission. Bullock seconded the motion. The motion was voted on and passed unanimously.

Council then held a public hearing and considered approval of a request from Wayne Backus for a Conditional Use Permit for a full service station with auto repair within the Scenic Overlay District and a site plan for a Mobil Station located on Ridge Road at Yellowjacket Lane. Couch explained recommendations of the Planning and Zoning Commission and Architectural Board of Review. Tom Briscoe of Mobil Oil Wholesale Distributors stated that the three service stations in downtown Rockwall had non-conforming status and could not be enlarged or renovated and that the other two service stations in town were located on I-30. He stated the need for another station, the success of Backus' business history, and the need for competition among service stations. Cecil Unruh addressed Council and voiced opposition to the Conditional Use Permit, stating that it did not meet the intent of the Scenic Overlay District. He stated that the use was not appropriate, the site plan was not workable, and the site was too small for the number of items it was proposed to contain. Wayne Backus offered to make substantial changes to the site plan and to illustrate how the adjacent tract would affect traffic flow of the site. Chuck Hodges, the architect, answered Council's questions regarding additional square footage. He stated that if the applicant did utilize extra square footage he would need to re-design the site and its traffic flow. Jim Hendricks spoke on behalf of the Architectural Board of Review and pointed out the

tightness of the site and the high cost of necessary drainage improvements. After much Council discussion, Welborn made a motion to deny the request without prejudice to allow the applicant to resubmit a revised site plan to the Commission which may then be brought before the Council. Bullock seconded the motion. The motion was voted on and passed unanimously.

After a brief recess, Bill Eisen gave the City Manager's report in which he discussed the actuarial study on self-insurance and bids for commercial insurance, the verification process taking place regarding a petition from Heritage Heights property owners for a Public Improvements District, an upcoming request for an extension of an agreement with Cambridge Companies, and an update on progress of the Airport Advisory Committee and Charter Review Commission.

Council then discussed a 911 Emergency System. Miller asked Council to indicate whether they wished Staff to begin investigating costs and other factors involved in establishing this system. Bullock asked the Police Chief's opinion. Chief Bruce Beaty told Council that if the system were established, he would advise investigation of a countywide 911 system. Council directed Staff to research the system and keep Council informed of their findings.

Eisen then outlined an ordinance setting a date for a public hearing for street assessment proceedings on certain streets. He explained that the enhancement study would be complete on January 20th, recommended a hearing date of February 29th, and discussed the public notices and assessment role. Couch read the ordinance caption. After Council discussion, Welborn made a motion to approve the ordinance setting a hearing date for February 29, 1988. Holt seconded the motion. The motion was voted on and passed unanimously.

As there was no further business to come before Council, the meeting adjourned at 10:20 P.M.

ORDINANCE NO. 88-2

AN ORDINANCE OF THE CITY OF ROCKWALL, TEXAS, AMENDING THE COMPREHENSIVE ZONING ORDINANCE OF THE CITY OF ROCKWALL A HERETOFORE AMENDED SO AS TO CHANGE THE ZONING ON A TRACT OF LAND WHICH IS MORE FULLY DESCRIBED HEREIN FROM AGRICULTURAL CLASSIFICATION TO COMMERCIAL CLASSIFICATION; CORRECTING THE OFFICIAL ZONING MAP; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a change in the classification of a zoning district has been requested by Kip Estep for the property more specifically described in Exhibit "A" attached hereto; and

WHEREAS, the Planning and Zoning Commission of the City of Rockwall and the governing body of the City of Rockwall, in compliance with the laws of the State of Texas and the ordinances of the City of Rockwall, have given the requisite notices by publication and otherwise, and have held public hearings and afforded a full and fair hearing to all property owners generally and to all persons interested in and situated in the affected area and in the vicinity thereof, the governing body in the exercise of its legislative discretion has concluded that the Comprehensive Zoning Ordinance of the City of Rockwall should be amended as follows:

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Rockwall, Texas:

SECTION 1. That the Comprehensive Zoning Ordinance of the City of Rockwall, as heretofore amended, be and the same is hereby amended by amending the zoning map of the City of Rockwall so as to

give Commercial District classification to the tract of land described in Exhibit "A".

SECTION 2. That the property described in Exhibit "A" shall be used only in the manner and for the purposes provided for in the Comprehensive Zoning Ordinance of the City of Rockwall as heretofore amended, as amended herein by granting of this zoning change, and as may be amended in the future.

SECTION 3. That the official zoning map of the City be corrected to reflect the changes in zoning described herein.

SECTION 4. Any person, firm or corporation violating any of the provisions of this ordinance shall be punished by a penalty of fine not to exceed the sum of TWO THOUSAND DOLLARS (\$2,000.00) for each offense and each and every day such offense shall continue shall be deemed to constitute a separate offense.

SECTION 5. If any section or provision of this ordinance or the application of that section or provision to any person, firm, corporation, situation or circumstance is for any reason judged invalid, the adjudication shall not affect any other section or provision of this ordinance or the application of any other section or provision to any other person, firm, corporation, situation or circumstance, nor shall adjudication affect any other section or provision of the Comprehensive Zoning Ordinance of the City of Rockwall, Texas, and the City Council declares that it would have adopted the valid portions and applications of the ordinance without the invalid parts and to this end the provisions of this ordinance shall remain in full force and effect.

SECTION 6. That all ordinances of the City of Rockwall in conflict with the provisions of this be and the same are hereby repealed, and all other ordinances of the City of Rockwall not in conflict with the provisions of this ordinance shall remain in full force and effect.

SECTION 7. That this ordinance shall take effect immediately from and after its passage and the publication of the caption of said ordinance as the law in such case provides.
