Mike Bierman  
900 Jackson St.  
Dallas, Texas 75202

Dear Mr. Bierman:

Enclosed is your copy of the Quit Claim Deed for a portion of the utility easement that is located within your lot in Lakeside Village, described as Lot D-3, Lakeside Village Phase One. The area of the easement that is described in the deed was deeded to you by the City of Rockwall on December 5, 1988. It is your responsibility to have the deed filed with the County Clerk.

You have also requested some information regarding the use of the remaining easement that is located on your property because you currently have a deck that encroaches the easement. The remaining easement is a utility easement dedicated to the City of Rockwall and it can be used for the installation and maintenance of any public utility. Currently there is a sewer main belonging to the City of Rockwall located in the easement. Should the City have to perform work on the section of line located on your lot we would make every effort not to disturb your improvements, however, you need to be aware that should it be necessary for the City to remove or otherwise disturb the deck to adequately maintain the line in the easement you retain the responsibility for any damages to your deck that result from any such maintenance activities by the City. If you have any other questions please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Eisen".
