Planning and Zoning Agenda

Agenda Date: May 14, 1992 **Agenda No:**III. H.

Agenda Item: P&Z 92-16-CUP/Z - Hold Public Hearing and Consider Approval of a Request from Darlene Hawk for a Change in Zoning form "A" Agricultural to "SF-7" Single Family and a CUP for Guest Quarters on a Tract of land Located at 1415 Hwy 276

Item Generated By: Applicant, Darlene Hawk

Action Needed: Hold public hearing and take any necessary action.

Background Information:

We have received a request for a change in zoning on this tract of land on SH-276. The property was annexed by the City in 1986 and was brought in as Agricultural. There were originally three houses in this area with a concrete plant approved behind the existing homes. There are now two structures being used as residential. Ms. Hawk wants to build a free standing structure to be used as quarters for her elderly mother. We have approved similar requests in the past with the condition that they are not used a rental property. Because the property is zoned Ag Ms. Hawk cannot construct any additional buildings or add onto her existing structure unless the zoning is addressed. While it is not likely that this property will be used for residential long term due to the location of the property and the future uses in the area, residential zoning is the only zoning that will allow Ms. Hawk to continue to use her property as it is currently being used and allow her to expand. We would recommend approval of the requests.

Agenda Item: P&Z 92-16-CUP/Z - Hold Public Hearing and Consider Approval of an Ordinance Granting a Request from Darlene Hawk for a Change in Zoning from "A" Agricultural to "SF-7" Single Family and a CUP for Guest Quarters on a Tract of land Located at 1415 Hwy 276 (1st Reading)

Item Generated By: Applicant, Darlene Hawk

Action Needed: Hold public hearing and take any necessary action.

Background Information:

There was considerable discussion about the zoning of this tract of land to single family. There was some concern about the establishment of residential zoning in what will ultimately be a nonresidential area. It was pointed out by other Commission members that the two homes in the area are already there and that rezoning was the best way to address the applicant's needs.

The Commission voted three to one to approve the zoning change and CUP with the condition that the guest quarters not be used for rental property. A copy of the ordinances are attached.
