Development Corporation for an Amendment to PD-8, Chandlers Landing to Amend the Land Use Designation from Townhouse to Single Family Detached, Approval of Area Requirements, and a Replat of Chandlers Landing, Phase 18, Section 1, Block A, Lots 11-15

Item Generated By: Owner, C.B.N. Development Corporation

Action Needed: Hold public hearing and take any necessary action.

Background Information:

We have received another request for a change in land use in Chandlers Landing. These 5 lots are located in an area that was originally platted for townhouse. There has been one area within the subdivision that has been redesignated for single family. The owner of these three lots wishes to do the same thing in this area. The area is already platted into five lots. They also wish to replat the area into three lots. Attached is a copy of the plat and a copy of the proposed area requirements. They are generally compatible with the lot requirements on the lots that have been revised to the east. We see no problem with the request.
