2. Location of the development by City, County and State.

3. Location of development tied to a USGS monument, Texas highway monument or other approved benchmark

4. Accurate boundary survey and property description with tract boundary lined indicated by heavy lines

5. If no engineering is provided show contours of 5 ft. intervals

6. Accurate plat dimensions with all engineering information necessary to reproduce plat on the ground

7. Approved name and right-of-way width of each street, both within an adjacent to the development

8. Locations, dimensions and purposes of any easements or other rights-of-way

9. Identification of each lot or site and block by letter and number and building lines

10. Record owners of contiguous parcels of unsubdivided land, names and lot patterns of contiguous subdivisions, approved Concept Plans, reference recorded subdivision plats or adjoining platted land by record name and by deed record volume and page

11. Boundary lines, dimensions and descriptions of open spaces to be dedicated for public use of the inhabitants of the development

12. Certificate of dedication of all streets, alleys, parks and other public uses signed by the owner or owners (see wording)

Planning & Zoning Agenda**

**Agenda Date:** June 9, 1994

**Agenda Item:** **P&Z 94-10-FP/RP** Hold Public Hearing and Consider Recommending Approval of a Request from Kent McKinney for Final Plat/Replat of Lost 30 & 31, Block A, of the High Ridge Estates

**Item Presented By:** Applicant, Kent McKinney

**Action Needed:** Discuss and Consider Recommendations for Approval

**Background Information:**

The applicant is requesting to replat lots 30 and 31, Block A of High Ridge Estates into one lot with the intent of building one residential dwelling. There are no existing utility easements between the two lots being combined.

**Recommendation:** Staff recommends approval of the replat provided the following:

1. Correct the plat title from "revised" to "replat".
2. The existing 5' easement should be continued along the adjacent lots.

**MEMORANDUM**

**TO:** Dub Douphrate, P.E.  
**FROM:** Dan C. Boutwell, AICP  
**SUBJECT:** P&Z 94-10-FP/PP (Kent McKinney)  
**DATE:** June 7, 1994

The applicant is requesting approval of a replat of Lots 30 and 31, Block A, or High Ridge Estates. The applicant proposes to combine two residential lots for the purpose of construction of a residential dwelling unit across the existing lot lines. No utilities exist in the existing lot line that will be deleted at the time of replatting. We offer the following comments and recommendations:

**Comments:**

1. The applicant should change the title of the plat from "revised" plat to "Replat".
2. The five (5) foot easement extending across the property at the front building line should be indicated as continuing along the fronts or the adjacent lots in Block A.

These comments and recommendations represent a thorough review of the application, but do not relieve the applicant or his agent from the responsibility of satisfying all the requirements and regulations of zoning, subdivision platting, and other development related ordinances of the City of Rockwall. If you have any questions or comments regarding our review of this application, please do not hesitate to contact us.

**MINUTES OF THE ROCKWALL CITY COUNCIL  
JUNE 20, 1994**

5 **Call to Order**

Mayor Alma Williams called the meeting to order at 7:00 p.m. with the following Council Members present: Dale Morgan, Pat Luby, George Hatfield and Nell Welborn. Todd White and Bob Wilson were absent. Invocation and pledge of allegiance was lead by George Hatfield.

10

**Consent Agenda**

a) **Approval of Minutes of June 6, 1994**

15

b) **Discuss and Consider Scheduling First Council Meeting in July to July 5th**

Welborn made a motion to schedule the first meeting in July for Monday, July 11 at regular scheduled time. Luby seconded the motion which passed unanimously.

20

Welborn made a motion to approve the minutes with corrections stated. The motion was seconded by Morgan and passed unanimously.

25 **Appointments/Plats/Plans**

**Appointment with Representative of North Texas Municipal Water District Regarding History of the District**

30

Brett Hall and Larry Parks presented each Council Member with a book regarding the history of The North Texas Municipal Water District and its service to the Rockwall and surrounding areas.

**Appointment with Capital Improvement Program Chairman Regarding Presentation of CIP Report and Take Any Necessary Action**

35

Greg Caffarel, spokesman for the CIP Task Force, presented the report to Council. He outlined the report and indicated that each project had written recommendations which the Task Force felt adequately supported the project. Mr. Caffarel pointed out the recommendation to hold a \$6.8 million bond election in late summer in order to provide funding for the necessary projects. In closing, Mr. Caffarel expressed an interest in scheduling a meeting with the CIP Task Force and City Council to further discuss the projects and their impact on Rockwall.

40

45 Following Council discussion and their expression of the appreciation and commendation for work of the Task Force it was the consensus of Council to schedule a date in July for a worksession to further review the report with the Task Force.

**Appointment with Rockwall 4th Fest, Inc. Representatives Regarding Request for City Services and Take Any Necessary Action**

50 Paul Morelan addressed Council and requested certain in-house services to be provided by the City at the July 4th event including traffic control, mowing, and police assistance. These services provided would be recognized as the City's participation under the platinum sponsorship. Welborn inquired about the costs of the services being requested. Hatfield made  
55 a motion to authorize the approval of City "in-house" services to be provided at the Rockwall 4th Fest, Inc. event subject to the final approval of the City Manager. Morgan seconded the motion which passed unanimously.

**Appointment with Planning and Zoning Commission Chairman**

60 Ross Ramsay addressed Council regarding the cases before Council this evening. He was available to answer questions.

**P&Z 94-10-FP/RP Hold Public Hearing and Consider Approval of a Request from Kent McKinney for Final Plat/Replat of Lots 30 & 31, Block A, High Ridge Estates**

70 Couch indicated to Council that this request was a replat for joining two adjacent lots into one lot for a residential dwelling with the recommendation that the existing 5' easement continue along the adjacent lots.

75 Mayor Williams opened the public hearing. Lou Horn, surveyor for the property, addressed Council to make himself available for any questions. No one else appeared before Council. Mayor Williams closed the public hearing.

Hatfield made a motion to approve the request from Kent McKinney for final plat/replat of Lots 30 & 31, Block A, High Ridge Estates. The motion was seconded by Luby and passed unanimously.

**P&Z 94-12-PP Discuss and Consider Approval of a Request from WPC Acquisition, Inc. for a Preliminary Plat for 86 lots in Chandler's Landing, Phase 15 Located East of FM-740 and North of IH-30**

85 Couch explained to Council that the current plat called for 130 zero-lots and that a previous request had been made to amend the plat to allow for approximately 75 single-family lots which was never finalized. She reviewed the current request from WPC Acquisition, Inc. to approve a preliminary plat for 86 lots in Chandler's Landing, Phase 15 meeting all current zoning

requirements. Welborn questioned the engineering requirements regarding turning radii within cul-de-sacs and street widths. Couch indicated that the preliminary plat does meet current requirements. She indicated that the Council could initiate a study of the design widths and radii for the City as a whole, if desired. Morgan made a motion to approve the preliminary plat with the following conditions as recommended by the Commission: 1) the final plat is to be prepared describing the vacation of the existing plat filed of record, 2) revise the plat to show a 10' utility easement on both sides of the street access easement, 3) relocate the proposed water and sanitary sewer lines within the center of the proposed utility easements, 4) the existing 6" sanitary sewer line should be relocated outside of lots 52 & 53, Block A, relocating the line into the existing Greenbelt Area, 5) the applicant should adjust the alignment of Defender Court cul-de-sac so that there is no centerline offset from Weatherly Circle cul-de-sac, 6) include the lakes on the preliminary plat and 7) provide the dimensions of each proposed lot to be platted. Hatfield seconded the motion which passed unanimously.

**P&Z 94-11-PP Discuss and Consider Approval of a Request from Los Prados Development Company for a Preliminary Plat for Property Located on the North side of Yellowjacket Lane and the East side of Union Pacific Railroad**

Couch reviewed the preliminary plat submitted for review and indicated that there had been considerable discussion on the Commission level regarding the greenbelt/parkland issue. She indicated that the Park Board would walk the area soon and submit a recommendation regarding the dedication of the parkland prior to final platting.

Brad Myers, Carter & Burgess, reviewed the plan and informed Council that the park space would be staked and walked by the Park Board at their next regularly scheduled meeting. He indicated that Los Prados would either dedicate the greenbelt area as one lot if selected for a park site or would incorporate the land into the existing lots if not selected.

Following Council discussion regarding general screening and sidewalk requirements, Council recognized Ross Ramsay, Planning and Zoning Commission spokesman. He expressed concern regarding the approximately 20 acres of greenbelt area to be dedicated to the City. After further discussion, Welborn made a motion to approve the preliminary plat for this development subject to the recommended conditions with these changes: 1) that the flume detail statement be rewritten to show any fences for the individual lots do not encroach, 2) that the preliminary plat clearly show screening wall along Yellowjacket with construction details submitted along with the final plat, 3) that the preliminary plat be approved with the greenbelt area platted into one lot, however, if at time of final platting, the greenbelt is not recommended as dedicated parkland, then the greenbelt is to be replatted into existing individual lots, and 4) that the street name be changed from Rochelle to Tupalo. The motion was seconded by Morgan and passed unanimously.

**City Manager's Report**

135 Couch indicated to Council that TU Electric requested the establishment of economic development tariffs. She commented that the coalition of cities which was formed to review such requests would meet next week to review the request and an update report would be discussed at the next regularly scheduled Council meeting.

140 Couch also outlined the letter to the state in regards to SH-205. The letter outlined both alternatives to be reviewed by the State. Council questioned the status of the contract with the traffic consultant and the potential time delay of submitting two alternatives. Couch indicated that there should not be a substantial time delay by submitting both plans.

Next, Couch informed Council that the exit ramp accessing Horizon Road which would improve business access along the frontage road is scheduled to be opened around the 27th of the month.

145 She mentioned that water tower contracts had begun dirt moving procedures and that a worksession would be scheduled for July to discuss the painting, logo design, and lighting for the new tower.

150 In closing, retreat proposals from both David Tees' and Chris Hartung's organizations were distributed to the Council for review and consideration.

### **Action/Discussion Items**

155 **Discuss and Consider Authorizing City Manager to Enter Into a Contract with Planning Resources Group for Planning Services**

160 Couch indicated that proposals have been submitted for land use plans. Three proposals were received, and two companies were interviewed. Couch recommended awarding the contract to Planning Resources Group based on his proposal. Council inquired as to the ownership of the company and the involvement of all owners. The proposal would update the 1986 land use plan, the 1984 thoroughfare plan, and the impact fee analysis and also provide a facilities plan for the City. Hatfield made a motion to approve the award authorizing the City Manager to enter into a contract with Planning Resources Group (PRG) for planning services. Luby seconded the motion. The motion passed unanimously.

165

170 **Discuss and Consider Approval of a Resolution Recognizing Commencement of Cable Franchise Renewal Proceedings in Accordance with Section 626 with the Cable Communications Policy Act of 1984, As Amended (47 U.S.C. §§ 521 ET SEQ)**

Couch explained to Council that Mission Cable has requested to initiate renewal franchise proceedings. She indicated that this resolution would formally begin the review process. Hatfield made a motion to approve the resolution recognizing commencement of cable franchise renewal proceedings. The motion was seconded by Luby and passed unanimously.

175

**Discuss and Consider Entering Into a Contract for FBO Services at the Rockwall Municipal Airport**

180 Couch introduced the proposal for a FBO at the airport. She noted the memorandum from Rick Crowley which outlined any significant differences between this proposal and the previous FBO agreement. She indicated that no improvements would be made by the FBO at this time other than the installation of an activated lighting system on the runway. In addition, the current proposal would allow the City to provide funds to the FBO in order for the FBO to provide workers' compensation coverage. The City felt this was a potential liability risk that had to be  
185 addressed.

Hatfield made a motion to enter into a contract for FBO services at the Rockwall Municipal Airport. Morgan seconded the motion. After Welborn questioned the need for the City to provide funds to the FBO for workers' compensation coverage, Welborn offered an amendment to the motion to omit the City agreeing to pay the FBO an amount equal to the cost of workers compensation insurance. The amendment died with no second. Mayor Williams called for votes. The motion passed unanimously.

195 **Hold Executive Session Under Section 551.074 of the Texas Government Code**

The Council convened into executive session at 8:45 p.m. to discuss personnel regarding City Boards, Commissions, and Task Force and Take Any Necessary Action as a Result of the Executive Session  
200

The Council reconvened into regular session at 9:12 p.m. Mayor Williams announced that no action would be taken on as a result of executive session.  
205

**Adjournment**

The meeting adjourned at 9:20 p.m.
