NOW THEREFORE KNOW ALL MEN BY THESE PRESENTS:

THAT, WPC - CHANDLERS LIMITED PARTNERSHIP, being owner, does hereby vacate all of Chandlers Landing Phase 15, including any lots, easements, or streets as recorded in Slide B at page 185-190 of the Plat Records of Rockwall County, Texas, and all of Block A, all of Block B, Lionheart Place, and a portion of the greenbelts and utility easements of Chandlers Landing Phase 16, including any lots, easements or streets as recorded in Cabinet B, Slide 191-194 of the Plat Records of Rockwall County, Texas, and does hereby adopt this plat designating the hereinabove described property as a Chandlers Landing Phase 15, and does hereby reserve all rights of the premises to the exclusion of the public, except as described otherwise herein, reserving such rights to its successors and assigns, and further, reserving its private easement for itself, its successors and assigns, of all times hereafter for ingress or egress to and from the herein described tract. Any and all private roads construed as a grant to the public, but to the contrary, as private ways reserved unto its successors and assigns. Provided, however, all private roads, common areas, and/or utility easements are hereby dedicated for mutual use and accommodation of all public utilities and government agencies desiring to use or using same. No buildings shall be constructed or placed upon, over or across the utility easements as described herein. Said utility easements being hereby reserved for the mutual use and accommodation of all public utilities desiring to use or using same. All public utilities shall have the right to remove and keep removed all or parts of any buildings, fences, trees, shrubs, or growths which may in any way, endanger or interfere with construction, maintenance, or efficiency of its respective system on the utility easements. All public utilities shall at all times have the full right of ingress and egress to or from and upon the said utility easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining, and adding to or removing all or part of its respective systems without the necessity of, at any time, procuring the permission of anyone. Any public utility shall the further right of ingress and egress to private property for the purpose of reading meters and any maintenance and shall have the further right of ingress and egress to private property for the purpose of reading meters and any maintenance and service required or ordinarily performed by that utility. WPC - Chandlers Limited Partnership, its successors and assigns, will be responsible for maintenance of all private streets and drives. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grades of streets in this addition.

No house, dwelling unit, or other structure shall be constructed on any lot in the addition by the owner of any other person until such time as the developer has complied with all requirements of the Platting Ordinance of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, drainage structures, and storm sewers, all according to the specifications of the City of Rockwall;

It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, not shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability of water for personal use and fire protection within such plat, as required under Ordinance 83-54.

94-9-pp

MEMORANDUM

TO: Dub Douphrate, P.E.
FROM: Dan C. Boutwell, AICP
SUBJECT: P&Z 94-9-PP (Chandlers Landing Phase 15)
DATE: June 7, 1994

The applicant is requesting approval of a preliminary plat of 86 residential lots. This proposal will complete the Chandlers Landing Planned Development. A previously approved and filed final plat was prepared in 1992, but no development occurred at that time. That previous final provided 75 lots with an approximate minimum lot area of 7,500 sq. ft. The original concept plan, prepared in 1986, provided for 134 zero lot line residential lots. The current proposal is comparable to the 1992 approved plat regarding lot size and layout. We offer the following comments and recommendations:

Comments:

1. The applicant should provide language on the Final Plat indicating that the existing plat is being vacated in its entirety.
2. Street names for all proposed streets should be provided.
3. The applicant should indicate ten (10) foot utility easements to be located on both sides of all street access easements.
4. The water and sewer lines should be indicated as being located outside the street paving, as required by the City Engineer.
5. The applicant should show the dimensions of all access, utility, and drainage easements.
6. The applicant should redesign the cul-de-sac area adjacent to Yacht Club Drive (lots 48-53) so that the number of intersecting streets are reduced. In addition all intersecting centerlines must comply with the 150 foot separation as required in the subdivision regulations.

These comments and recommendations represent a thorough review of the application, but do not relieve the applicant or his agent from the responsibility of satisfying all the requirements and regulations of zoning, subdivision platting, and other development related ordinances of the City of Rockwall. If you have any questions or comments regarding our review of this application, please do not hesitate to contact us.

Chandlers Landing  *Community Association*

TO: City of Rockwall Planning & Zoning
FROM: Gary Josephson, General Manager
DATE: June 9, 1994
RE: Replat of Phase Fifteen

The Planning and Zoning Commission will be reviewing over the next month the replat and development of phase fifteen.

These are our concerns regarding the plat and future development:

- * The street and proposed cul-de-sacs do not provide adequate fire lane access when on-street parking is present. This fire lane problem already exists in Chandlers Landing due to narrow (31.25' wide) streets. Specifically, the 80.00' diameter cul-de-sacs prevent the proper turning ratio for the fire trucks according to Fire Marshall Jack Yates.
- * With this plat (and existing lots), we expect an approximate growth potential of two hundred more homes in the north end of our community. Because of this, we may look to the City of Rockwall for flexibility in allowing us to construct a manned security post at our north gate entrance to relieve the increased traffic flow at our main entrance.
- * A public hearing to address resident input on the plat and development does not appear to be required by the City. However, we can only urge the Planning and Zoning or City Council to schedule a public hearing on this matter.

As you know, this is the last platting for Chandlers Landing and we are interested in a successful development of this phase.

Re: Phase 15 Street Widths

Dear Ms. Couch:

Per our conversation last week, I am writing this letter regarding the final zoning approval for Phase 15.

The Association seriously objects to the street and cul-de-sac widths proposed on the preliminary plat. We do not believe the city standards account for subdivisions without alleys.

We currently have streets that are similar to the proposed ones and we are troubled by the inadequate parking presented by these narrow streets.

I hope you will consider this input in the final zoning of this phase. Thank you for your cooperation in this matter.

Sincerely,

Gary E. Josephson

Planning & Zoning Agenda**

Agenda Date: June 9, 1994

Agenda Item: P&Z 94-9-PP¹² Discuss and Consider Recommending Approval of a Request from WPC Acquisitions, Inc. for a Preliminary Plat for 87 lots in Chandler's Landing, Phase 15 Located East of FM-740 and North of IH-30

Item Presented By: Applicant, WPC Acquisitions, Inc.

Action Needed: Discuss and Consider Recommendations for Approval and Take Any Necessary Action

Background Information:

The applicant is requesting to vacate the existing plat on file and to preliminary plat 86 residential lots. The final plat currently on file provides for 134 zero lot line residential lots. This development did not occur. In December of 1992 a preliminary plat was submitted and approved revising the zoning to a minimum of 7,000 sq.ft. lots (Ordinance 92-41). A final plat was never submitted with the proposed 1992 layout.

WPC Acquisitions, Inc. requests a vacation of the existing final plat filed of record and to preliminary plat 86 residential lots. All of the lots exceed the 7,000 sq.ft. minimum requirement.

Recommendation: Staff recommends approval of the preliminary plat provided the following conditions are satisfied:

1. The final plat is to be prepared describing the vacation of the existing plat filed of record.
2. Revise the plat to show a 10' utility easement on both sides of the street access easement.
3. Relocate the proposed water and sanitary sewer lines within the center of the proposed utility easements.
4. The existing 6" sanitary sewer line should be relocated outside of lots 52 & 53, Block A, relocating the line into the existing Greenbelt Area.
5. The applicant should adjust the alignment of Defender Court cul-de-sac so that there is no centerline offset from Weatherly Circle cul-de-sac.

I. CALL TO ORDER

The meeting was called to order by Jim Greenwalt at 7:00 p.m with the following members present; Art Ruff, Ross Ramsay, Van Ewing, Pat Friend, Terry Raulston, and Ginger Baugh.

10

II. APPROVAL OF MINUTES FROM THE JULY 14, 1994 MEETING

Mr. Ruff made a motion to approve the minutes for the July 14, 1994 meetings. Mr. Friend seconded the motion. The motion was voted on and passed unanimously.

15

III. PUBLIC HEARING

94-16-PP/Z HOLD PUBLIC HEARING AND CONSIDER RECOMMENDING APPROVAL OF A REQUEST FROM HOMEPLACE TO AMEND PD-3 CHANGING THE LAND USE FROM MF (MULTI-FAMILY) AND "C" (COMMERCIAL) TO SF-7 AND SF-10 (SINGLE FAMILY) AND A REQUEST FOR A PRELIMINARY PLAT FOR 75 LOTS IN THE SHORES ADDITION.

20

Mr. Douphrate outlined the request, explaining to the Commission that the surrounding property owners within 200 feet had not been notified as required by law and that the Amendment to the PD-3, changing the Land Use would have to be tabled until the September 8, 1994 Planning and Zoning Meeting.

25

Mr. Ewing and Mr. Ruff left the meeting citing a conflict of interest

30

Mr. Greenwalt opened the Public Hearing

After much discussion Mr. Friend made a motion to table the request until the September 8, 1994 meeting. Ginger Baugh seconded the motion. The motion was voted on and passed unanimously.

35

Mr. Greenwalt closed the Public Hearing

Mr. Ewing and Mr. Ruff returned to the meeting.

5 **Call to Order**

Mayor Alma Williams called the meeting to order at 7:00 p.m. with the following Council Members present: Dale Morgan, Pat Luby, George Hatfield and Nell Welborn. Todd White and Bob Wilson were absent. Invocation and pledge of allegiance was lead by George Hatfield.

10

Consent Agenda

- a) Approval of Minutes of June 6, 1994
- b) Discuss and Consider Scheduling First Council Meeting in July to July 5th

15

Welborn made a motion to schedule the first meeting in July for Monday, July 11 at regular scheduled time. Luby seconded the motion which passed unanimously.

20

Welborn made a motion to approve the minutes with corrections stated. The motion was seconded by Morgan and passed unanimously.

25 **Appointments/Plats/Plans**

Appointment with Representative of North Texas Municipal Water District Regarding History of the District

30

Brett Hall and Larry Parks presented each Council Member with a book regarding the history of The North Texas Municipal Water District and its service to the Rockwall and surrounding areas.

35

Appointment with Capital Improvement Program Chairman Regarding Presentation of CIP Report and Take Any Necessary Action

40

Greg Caffarel, spokesman for the CIP Task Force, presented the report to Council. He outlined the report and indicated that each project had written recommendations which the Task Force felt adequately supported the project. Mr. Caffarel pointed out the recommendation to hold a \$6.8 million bond election in late summer in order to provide funding for the necessary projects. In closing, Mr. Caffarel expressed an interest in scheduling a meeting with the CIP Task Force and City Council to further discuss the projects and their impact on Rockwall.

45 Following Council discussion and their expression of the appreciation and commendation for work of the Task Force it was the consensus of Council to schedule a date in July for a worksession to further review the report with the Task Force.

Appointment with Rockwall 4th Fest, Inc. Representatives Regarding Request for City Services and Take Any Necessary Action

50 Paul Morelan addressed Council and requested certain in-house services to be provided by the City at the July 4th event including traffic control, mowing, and police assistance. These services provided would be recognized as the City's participation under the platinum sponsorship. Welborn inquired about the costs of the services being requested. Hatfield made a motion to authorize the approval of City "in-house" services to be provided at the Rockwall 55 4th Fest, Inc. event subject to the final approval of the City Manager. Morgan seconded the motion which passed unanimously.

Appointment with Planning and Zoning Commission Chairman

60 Ross Ramsay addressed Council regarding the cases before Council this evening. He was available to answer questions.

P&Z 94-10-FP/RP Hold Public Hearing and Consider Approval of a Request from Kent McKinney for Final Plat/Replat of Lots 30 & 31, Block A, High Ridge Estates

70 Couch indicated to Council that this request was a replat for joining two adjacent lots into one lot for a residential dwelling with the recommendation that the existing 5' easement continue along the adjacent lots.

75 Mayor Williams opened the public hearing. Lou Horn, surveyor for the property, addressed Council to make himself available for any questions. No one else appeared before Council. Mayor Williams closed the public hearing.

Hatfield made a motion to approve the request from Kent McKinney for final plat/replat of Lots 30 & 31, Block A, High Ridge Estates. The motion was seconded by Luby and passed unanimously.

P&Z 94-12-PP Discuss and Consider Approval of a Request from WPC Acquisition, Inc. for a Preliminary Plat for 86 lots in Chandler's Landing, Phase 15 Located East of FM-740 and North of IH-30

85 Couch explained to Council that the current plat called for 130 zero-lots and that a previous request had been made to amend the plat to allow for approximately 75 single-family lots which was never finalized. She reviewed the current request from WPC Acquisition, Inc. to approve a preliminary plat for 86 lots in Chandler's Landing, Phase 15 meeting all current zoning

requirements. Welborn questioned the engineering requirements regarding turning radii within cul-de-sacs and street widths. Couch indicated that the preliminary plat does meet current requirements. She indicated that the Council could initiate a study of the design widths and radii for the City as a whole, if desired. Morgan made a motion to approve the preliminary plat with the following conditions as recommended by the Commission: 1) the final plat is to be prepared describing the vacation of the existing plat filed of record, 2) revise the plat to show a 10' utility easement on both sides of the street access easement, 3) relocate the proposed water and sanitary sewer lines within the center of the proposed utility easements, 4) the existing 6" sanitary sewer line should be relocated outside of lots 52 & 53, Block A, relocating the line into the existing Greenbelt Area, 5) the applicant should adjust the alignment of Defender Court cul-de-sac so that there is no centerline offset from Weatherly Circle cul-de-sac, 6) include the lakes on the preliminary plat and 7) provide the dimensions of each proposed lot to be platted. Hatfield seconded the motion which passed unanimously.

P&Z 94-11-PP Discuss and Consider Approval of a Request from Los Prados Development Company for a Preliminary Plat for Property Located on the North side of Yellowjacket Lane and the East side of Union Pacific Railroad

Couch reviewed the preliminary plat submitted for review and indicated that there had been considerable discussion on the Commission level regarding the greenbelt/parkland issue. She indicated that the Park Board would walk the area soon and submit a recommendation regarding the dedication of the parkland prior to final platting.

Brad Myers, Carter & Burgess, reviewed the plan and informed Council that the park space would be staked and walked by the Park Board at their next regularly scheduled meeting. He indicated that Los Prados would either dedicate the greenbelt area as one lot if selected for a park site or would incorporate the land into the existing lots if not selected.

Following Council discussion regarding general screening and sidewalk requirements, Council recognized Ross Ramsay, Planning and Zoning Commission spokesman. He expressed concern regarding the approximately 20 acres of greenbelt area to be dedicated to the City. After further discussion, Welborn made a motion to approve the preliminary plat for this development subject to the recommended conditions with these changes: 1) that the flume detail statement be rewritten to show any fences for the individual lots do not encroach, 2) that the preliminary plat clearly show screening wall along Yellowjacket with construction details submitted along with the final plat, 3) that the preliminary plat be approved with the greenbelt area platted into one lot, however, if at time of final platting, the greenbelt is not recommended as dedicated parkland, then the greenbelt is to be replatted into existing individual lots, and 4) that the street name be changed from Rochelle to Tupalo. The motion was seconded by Morgan and passed unanimously.

City Manager's Report

Couch indicated to Council that TU Electric requested the establishment of economic development tariffs. She commented that the coalition of cities which was formed to review such requests would meet next week to review the request and an update report would be discussed at the next regularly scheduled Council meeting.

135

Couch also outlined the letter to the state in regards to SH-205. The letter outlined both alternatives to be reviewed by the State. Council questioned the status of the contract with the traffic consultant and the potential time delay of submitting two alternatives. Couch indicated that there should not be a substantial time delay by submitting both plans.

140

Next, Couch informed Council that the exit ramp accessing Horizon Road which would improve business access along the frontage road is scheduled to be opened around the 27th of the month.

She mentioned that water tower contracts had begun dirt moving procedures and that a worksession would be scheduled for July to discuss the painting, logo design, and lighting for the new tower.

145

In closing, retreat proposals from both David Tees' and Chris Hartung's organizations were distributed to the Council for review and consideration.

150

Action/Discussion Items

Discuss and Consider Authorizing City Manager to Enter Into a Contract with Planning Resources Group for Planning Services

155

Couch indicated that proposals have been submitted for land use plans. Three proposals were received, and two companies were interviewed. Couch recommended awarding the contract to Planning Resources Group based on his proposal. Council inquired as to the ownership of the company and the involvement of all owners. The proposal would update the 1986 land use plan, the 1984 thoroughfare plan, and the impact fee analysis and also provide a facilities plan for the City. Hatfield made a motion to approve the award authorizing the City Manager to enter into a contract with Planning Resources Group (PRG) for planning services. Luby seconded the motion. The motion passed unanimously.

160

165

Discuss and Consider Approval of a Resolution Recognizing Commencement of Cable Franchise Renewal Proceedings in Accordance with Section 626 with the Cable Communications Policy Act of 1984, As Amended (47 U.S.C. §§ 521 ET SEQ)

170

Couch explained to Council that Mission Cable has requested to initiate renewal franchise proceedings. She indicated that this resolution would formally begin the review process. Hatfield made a motion to approve the resolution recognizing commencement of cable franchise renewal proceedings. The motion was seconded by Luby and passed unanimously.

175

Discuss and Consider Entering Into a Contract for FBO Services at the Rockwall Municipal Airport

180 Couch introduced the proposal for a FBO at the airport. She noted the memorandum from Rick Crowley which outlined any significant differences between this proposal and the previous FBO agreement. She indicated that no improvements would be made by the FBO at this time other than the installation of an activated lighting system on the runway. In addition, the current proposal would allow the City to provide funds to the FBO in order for the FBO to provide workers' compensation coverage. The City felt this was a potential liability risk that had to be
185 addressed.

Hatfield made a motion to enter into a contract for FBO services at the Rockwall Municipal Airport. Morgan seconded the motion. After Welborn questioned the need for the City to provide funds to the FBO for workers' compensation coverage, Welborn offered an amendment to the motion to omit the City agreeing to pay the FBO an amount equal to the cost of workers compensation insurance. The amendment died with no second. Mayor Williams called for votes. The motion passed unanimously.

195 **Hold Executive Session Under Section 551.074 of the Texas Government Code**

Appointments/Plans

Appointment with Economic Development Planning Commission Regarding Presentation of Report and Take Any Necessary Action

35

Bob Holliman, Chairman of the EDPC, addressed Council and introduced the members of the commission. Mssrs. Coleson and Mishler presented the history of economic development planning efforts for the City. Ms. Barstow and Mr. Moscarello outlined the process used by the current Economic Development Planning Commission in developing their recommendations and described the background of the membership. Mr. Wight examined the need for economic development planning for the city. Mssrs. Lofland and Self presented recommendations which

40

45 consisted of the following three phases: 1) to conduct an economic development summit led by a professional facilitator, 2) to develop a vision for economic development for the City, and 3) to formulate the strategic and implementation plan to provide economic development. Mr. Martin summarized the presentation and requested that the Council approve the funding for Phase 1 and 2 at this time with funding for Phase 3 to be decided upon after the completion of Phases 1 and 2.

50 After considerable discussion, Hatfield made a motion to approve Phase I and Phase II of the recommendation. Morgan seconded the motion. Following Council discussion, the motion passed unanimously.

55 **Hear from Reed-Stowe Regarding Lone Star Gas Rate Increase and Consider Approval of an Ordinance Granting a Rate Increase for Lone Star Gas and Take Any Necessary Action**

Lone Star Gas requested a delay in order to review the information submitted by Reed-Stowe Company. Morgan made a motion to table this item to the next regular meeting. The motion was seconded by White. The motion passed unanimously.

60 **Appointment with Rick Horton of D.R. Horton, Inc. Requesting a Sign Variance and Take Any Necessary Action**

White exited the room citing a potential conflict of interest. Rick Horton addressed Council seeking a sign variance in the Caruth Lake subdivision due the hardship of visibility and attractiveness of the sign if placed at ground level. Mr. Horton requested the sign be extended 6' above the set standard. Morgan made a motion to grant a variance of 3½' in height for a period not to exceed eighteen (18) months. The motion died for lack of a second. Wilson made a motion to deny the request for the sign variance. Luby seconded the motion which passed 70 unanimously. Councilmember White returned to the meeting.

Appointment with Wyatt Company to Present a Report Regarding Self-Insurance Funding and Take Any Necessary Action

75 Andy Koren, representative of Wyatt Company, presented a report regarding the status of the self-insurance fund. He indicated that the fund, as projected, will in fact perform better than projected originally based on data that has been generated since the initiation of the self-insurance program. He also indicated that the fund should be able to support the addition of other types of insurance, should the City consider such action.

80 **Appointment with Planning and Zoning Commission Chairman**

Pat Friend addressed Council and made himself available to answer questions.

85 **P&Z 94-16-PP/Z Hold Public Hearing and Consider Approval of an Ordinance Granting a Request from Homeplace to Amend PD-3 Changing the Land Use from "MF" Multi-**

Family and "C" Commercial and "A" Agricultural to "SF-7" and "SF-10" Single Family (1st reading); Approval of a Preliminary Plat for 75 Lots in the Shores Addition and Take Any Necessary Action

0 Mayor Williams announced that this item would be passed with no action taken.

95 **PZ 93-30-Z Hold Public Hearing and Consider Approval of an Ordinance Amending the Setback Requirements for PD-11 Located South of Alamo Road and North of North Hills Drive and Take Any Necessary Action**

100 Couch reviewed the standards established under planned developments and explained the area zoning restrictions which were adopted. She also outlined the request of the developer. Mayor Williams opened the public hearing.

Applicant, Robert Pope, representing Hillcrest Shores, Ltd. and Centex Homes, addressed Council and requested amending the setback requirements for "PD-11". No one else appeared for the public hearing. Mayor Williams closed the hearing.

105 After discussion, Wilson made a motion to approve an ordinance granting a setback of 20' for a single story structure and 25' for a two-story structure, and to proceed with public hearings to consider amending the general setback requirement ordinance. Luby seconded the motion. Couch read the caption. The motion passed unanimously.

PZ 94-9-Z Hold Public Hearing and Consider Approval of an Ordinance Granting a Zoning Change from "2F" Duplex to "C" Commercial District Classification for Property Located at 607 St. Marys from Scott Stark and Take Any Necessary Action

115 Couch commented on the case regarding lack of proper notification to appropriate property owners when the case was originally heard and approved. She indicated that Planning & Zoning Commission had reheard the case and had recommended approval of the request. Mayor Williams opened the public hearing.

120 Applicant, Scott Stark, of 607 St. Marys, requested approval of the change. Since no one else appeared before Council, Mayor Williams closed the public hearing.

Hatfield made a motion to approve the zoning change from "2F" to "C". The motion was seconded by Morgan. Following Council discussion and the reading of the caption, the motion passed by a votes of 5-1 with White voting against due to the screening requirement waiver.

125 **PZ 94-12-FP Consider Approval of a Final Plat of 86 Lots of Chandlers Landing Phase 15 in the Chandlers Landing Addition and Take Any Necessary Action**

30 Couch outlined the preliminary plat previously approved. She indicated that the Chandlers Landing Homeowners Association had expressed their concern regarding the width of the

proposed streets. She pointed out that the streets were in compliance with current City standards. She indicated that Planning and Zoning recommended approval of the final plat with the condition that the developer enter into a facilities agreement. Applicant, Richard Hogis addressed Council and requested approval of the final plat. White made a motion to approve the final plat for 86 lots of Chandlers Landing Phase 15 providing the following conditions: 1) the developer enters into a facilities agreement outlining the escrow requirements for the improvements to existing lift station and force main facilities, 2) the final engineering is approved by the City Engineer and 3) that all roadways be labeled on the plat as emergency and public access easements. The motion was seconded by Wilson and passed unanimously.

PZ 94-15-FP Consider Approval of a Final Plat for 8 Lots in Lofland Lake Estates Located North of FM-1139 and East of FM-549 and Take Any Necessary Action

Couch explained the final plat was being presented to the City due to its location within the extra-territorial jurisdiction of the City. She indicated that the property was not located within the city limits. Applicant, Max Schield, appeared before Council to seek approval of the request. Following general Council discussion, Hatfield made a motion to approve the final plat. Luby seconded the motion and passed unanimously.

City Manager's Report

Couch reported to Council that the City had met with two representatives of the consulting team hired by the City of Dallas to develop recommendations for Lake Ray Hubbard Update Plan. She informed Council that the time was now appropriate to invite the Dallas representatives to meet with Council in order to emphasize the City's desire to be involved in the developmental process. Secondly, she provided a copy of the citizen survey form which will be distributed throughout Rockwall to Council for their review and/or comments. In addition, Council was provided a quarterly budget report for consideration.

Action/Discussion Items

Discuss and Consider Upcoming Bond Election and Take Any Necessary Action

Williams informed Council that Greg Caffarel volunteered to head a citizen committee to support the proposed upcoming bond election. She indicated that the group had held one meeting which she had attended and that they had recommended delaying the bond election until a route for SH-205 could be finalized by the Council. She also indicated that Mr. Morris with the North Texas Council of Government had stated that they would have information regarding the modeling on the alternatives submitted by the City within thirty days; therefore, she suggested that any decision relating to scheduling a bond election be postponed until after this additional information could be received and reviewed. She suggested that the bond election could possibly be scheduled for December 3.

177 **Report on Status of Rockwall Housing Finance Corporation and the Financing of The Meadows Project and Take Any Necessary Action**

180 David Elkins reported to Council that an organizational meeting of the Rockwall Housing Finance Corporation was held with all appointees present. He indicated that background material was provided and reviewed in addition to the approval of corporate articles, by-laws, officer elections, and other corporate requirements. Couch informed Council that the financing documents were in draft form at the present time and that an extension period for finalizing this project had been granted until November 1. She indicated that the necessary paperwork was near completion. Margo Nielsen with the Rockwall Housing Development Corporation also
185 briefed the Council on the status of the appraisals and the title work on the project. Councilmember White requested that this item be on each agenda until it is finalized.

Discuss and Consider Bid Award for Concrete Repair and Maintenance

190 Couch recommended additional concrete repair and maintenance work be awarded to Silver Creek Construction, the apparent low bidder. White made a motion to award the bid to Silver Creek Construction. The motion was seconded by Morgan and passed unanimously.

195 **Discuss and Consider the 1994-'95 Annual Budget Revisions and Take Any Necessary Action**

200 Couch outlined revisions to the 1994-'95 annual budget and indicated an additional request had been made by the Historical Society and the Agency on Aging. Following Council discussion regarding possible budget revisions and public hearing schedule, it was the consensus of Council that the budget would be considered for approval at the next regular Council meeting.

Discuss and Consider the Need for New Noise Ordinance and Take Any Necessary Action

205 Morgan commented to Council that he had initiated the request to consider controlling some of the loud noise generated by automobiles and radios as they drive on City streets. He indicated that the City of Austin had adopted such an ordinance. Staff was instructed to review some ordinances of area cities and to provide Council with a recommendation at a later date.

210 **Discuss and Consider Contract of Award to Lantel Systems, Inc. Regarding the Installation of a Local Area Network for the Police Department**

215 Couch reviewed with Council the network to be installed in the police department which had been previously discussed during the budget worksession. Hatfield made a motion to award the contract to Lantel Systems, Inc. in the amount of \$13,584. Luby seconded the motion which passed unanimously.

Discuss and Consider the Appointment of Ad Hoc Committee or Study Group to Evaluate Operational Cost Savings and/or Improved City Services Regarding Privatization or Private

220 **Contracting and Take Any Necessary Action**

Morgan reviewed his request to consider appointing a committee to review privatization of City services. Staff was instructed to proceed with the development of a resolution to form a task force or committee to study and evaluate operational cost savings and/or improved City services through privatization.

225 **Discuss and Consider Award of Bids for Drainage Improvements**

230 Couch reviewed drainage improvements bids and recommended East Texas Construction, as the apparent low bidder. White made a motion to award the bid to East Texas Construction. Wilson seconded the motion which passed unanimously.

Discuss and Consider Approval of the Median Improvement Program

235 Stacey Robbins, Personnel Specialist, presented an overview of the Median Improvement Program. She indicated that the program overall would cost the City approximately \$41,000.00 for the installation of irrigation; however, this cost would be expended over a period of years when each phase was initiated in the program. She indicated that the first phase may be the Northshore islands because irrigation was already installed. She also explained that the goal of the program was not only to enhance the natural surroundings of the city, but to involve the community in a major role in providing maintenance and upkeep to the medians.

240 There was discussion regarding funding for the cost of the irrigation installation. It was also pointed out by Council that Yellowjacket should receive a high priority due to the visibility of those islands. It was the consensus of the Council that recycling funds should be used for this purpose. The report was accepted by the Council.

250 **Hold Executive Session Under Sections 551.071 and 551.074 of the Texas Government Code**

The Council convened into executive session at 9:30 p.m. to discuss a) personnel regarding appointments to City Boards and Commissions, b) potential litigation regarding employee termination, c) potential litigation regarding road construction and d) City Manager's Evaluation and Take Any Necessary Action as a Result of the Executive Session

255 The Council reconvened into regular session at 10:35 p.m.. White made a motion to appoint the following:
