PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Planning and Zoning Commission
DATE: March 9, 2021
APPLICANT: Danielle Porten; *REP Investments, LLC*
CASE NUMBER: P2021-007; *Preliminary Plat for Lots 1-5, Block A and Lot 1, Block X, Industrial Park Addition*

SUMMARY

Discuss and consider a request by Danielle Porten of REP Investments, LLC for the approval of a Preliminary Plat for Lots 1-5, Block A and Lot 1, Block X, Blackland Industrial Park Addition being a 10.27-acre tract of land identified as Tract 3-04 of the A. M. Wilson Survey, Abstract No. 223, Rockwall County, Texas, situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), addressed as 3500 Blackland Road, and take any action necessary.

PLAT INFORMATION

- The applicant is requesting the approval of a preliminary plat for a non-residential subdivision (*i.e. Blackland Industrial Park Addition*), which will be situated on a 10.27-acre tract of land located within the City of Rockwall's Extraterritorial Jurisdiction (ETJ). According to the preliminary plat, the development will consist of five (5) non-residential lots that will be a minimum of 1½-acres in size. The development will be accessible via a 50-foot private road (*i.e. Blackland Court*) that will connect to the existing Blackland Road. The preliminary plat also shows that an additional 30-feet of right-of-way will be dedicated to the existing Blackland Road right-of-way. This dedication conforms to the *Rockwall County Thoroughfare Plan*.
- In addition to the preliminary plat, the applicant has submitted preliminary drainage and utility plans indicating how the development will be served. According to Section 38-5(d)(1), *Policy*, of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances, "(l)and proposed for development in the city and in the city's extraterritorial jurisdiction must be served adequately by essential public facilities and services, including water facilities, wastewater facilities, roadway and pedestrian facilities, drainage facilities and park facilities Land shall not be approved for platting or development unless and until adequate public facilities necessary to serve the development exist or provision has been made for the facilities whether the facilities are to be located within the property being developed or offsite." The applicant's submission appears to show the provision of sufficient public facilities; however, staff has requested that the applicant provide a will serve letter from the Blackland Water Supply Corporation (WSC) prior to the approval of a final plat. This has been added as a condition of approval.
- The preliminary plat is required to meet all of the requirements of the *Interim Interlocal Cooperation Agreement for Subdivision Regulation in the Extraterritorial Jurisdiction of a Municipality* between Rockwall County and the City of Rockwall, the City of Rockwall's *Standards of Design and Construction Manual*, and Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances.
- The purpose of the *preliminary plat* is to provide sufficient information to evaluate and review the general design of the development ensuring compliance with Chapter 38, *Subdivisions*, of the City's Municipal Code of Ordinances, the City's *Standards of Design and Construction Manual*, and *Exhibit 'A', Subdivision Regulations for Review of Plats in the Extraterritorial Jurisdiction (ETJ) of the City of Rockwall*, of the *Interim Interlocal Agreement between Rockwall County and the City of Rockwall*.
- The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for plats as stipulated by Chapter 38, Subdivisions, of the Municipal Code of Ordinances and Exhibit 'A' of*

the Interim Interlocal Cooperation Agreement between Rockwall County and the City of Rockwall -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances and *Exhibit 'A'* of the *Interim Interlocal Cooperation Agreement between Rockwall County and the City of Rockwall*.

CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the *Preliminary Plat* for *Lots 1-5, Block A and Lots 1 & 2, Block X, Blackland Industrial Park Addition*, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) and Rockwall County shall be addressed prior to submittal of civil engineering plans.
- (2) The applicant shall provide a will serve letter from Blackland Water Supply Corporation (WSC) prior to the approval of a final plat for the subject property.
- (3) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

CITY COUNCIL CASE MEMO

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Mayor and City Council
DATE: March 15, 2021
APPLICANT: Danielle Porten; *REP Investments, LLC*
CASE NUMBER: P2021-007; *Preliminary Plat for Lots 1-5, Block A and Lot 1, Block X, Industrial Park Addition*

SUMMARY

Discuss and consider a request by Danielle Porten of REP Investments, LLC for the approval of a Preliminary Plat for Lots 1-5, Block A and Lot 1, Block X, Blackland Industrial Park Addition being a 10.27-acre tract of land identified as Tract 3-04 of the A. M. Wilson Survey, Abstract No. 223, Rockwall County, Texas, situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ), addressed as 3500 Blackland Road, and take any action necessary.

PLAT INFORMATION

- The applicant is requesting the approval of a preliminary plat for a non-residential subdivision (*i.e. Blackland Industrial Park Addition*), which will be situated on a 10.27-acre tract of land located within the City of Rockwall's Extraterritorial Jurisdiction (ETJ). According to the preliminary plat, the development will consist of five (5) non-residential lots that will be a minimum of 1½-acres in size. The development will be accessible via a 50-foot private road (*i.e. Blackland Court*) that will connect to the existing Blackland Road. The preliminary plat also shows that an additional 30-feet of right-of-way will be dedicated to the existing Blackland Road right-of-way. This dedication conforms to the *Rockwall County Thoroughfare Plan*.
- In addition to the preliminary plat, the applicant has submitted preliminary drainage and utility plans indicating how the development will be served. According to Section 38-5(d)(1), *Policy*, of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances, "(l)and proposed for development in the city and in the city's extraterritorial jurisdiction must be served adequately by essential public facilities and services, including water facilities, wastewater facilities, roadway and pedestrian facilities, drainage facilities and park facilities Land shall not be approved for platting or development unless and until adequate public facilities necessary to serve the development exist or provision has been made for the facilities whether the facilities are to be located within the property being developed or offsite." The applicant's submission appears to show the provision of sufficient public facilities; however, staff has requested that the applicant provide a will serve letter from the Blackland Water Supply Corporation (WSC) prior to the approval of a final plat. This has been added as a condition of approval.
- The preliminary plat is required to meet all of the requirements of the *Interim Interlocal Cooperation Agreement for Subdivision Regulation in the Extraterritorial Jurisdiction of a Municipality* between Rockwall County and the City of Rockwall, the City of Rockwall's *Standards of Design and Construction Manual*, and Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances.
- The purpose of the *preliminary plat* is to provide sufficient information to evaluate and review the general design of the development ensuring compliance with Chapter 38, *Subdivisions*, of the City's Municipal Code of Ordinances, the City's *Standards of Design and Construction Manual*, and *Exhibit 'A', Subdivision Regulations for Review of Plats in the Extraterritorial Jurisdiction (ETJ) of the City of Rockwall*, of the *Interim Interlocal Agreement between Rockwall County and the City of Rockwall*.
- The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for plats as stipulated by Chapter 38, Subdivisions, of the Municipal Code of Ordinances and Exhibit 'A' of*

the Interim Interlocal Cooperation Agreement between Rockwall County and the City of Rockwall -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.

- ☑ Conditional approval of this plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- ☑ With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances and *Exhibit 'A'* of the *Interim Interlocal Cooperation Agreement between Rockwall County and the City of Rockwall*.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the *Preliminary Plat* for *Lots 1-5, Block A and Lots 1 & 2, Block X, Blackland Industrial Park Addition*, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) and Rockwall County shall be addressed prior to submittal of civil engineering plans.
- (2) The applicant shall provide a will serve letter from Blackland Water Supply Corporation (WSC) prior to the approval of a final plat for the subject property.
- (3) Any construction resulting from the approval of this plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On March 9, 2021, the Planning and Zoning Commission approved a motion to approve the preliminary plat with the conditions of approval by a vote of 5-0, with Commissioners Womble and Deckard absent.
