**TO:** Planning and Zoning Commission  
**DATE:** September 28, 2021  
**APPLICANT:** Clay Cristy; *ClayMoore Engineering*  
**CASE NUMBER:** P2021-047; *Replat for Lot 2, Block A, Lofland Industrial Park Addition*

---

### SUMMARY

Consider a request by ClayMoore Engineering on behalf of the Rockwall Central Appraisal District (RCAD) for the approval of a Replat for Lot 2, Block A, Lofland Industrial Park Addition being a 1.707-acre parcel of land identified as Lot 1A-R, Block A, Lofland Industrial Park Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 841 Justin Road, and take any action necessary.

### PLAT INFORMATION

- The purpose of the applicant's request is to Replat a 1.707-acre tract of land (*i.e. Lot 1A-R, Block A, Lofland Industrial Park*) into one (1) lot (*i.e. Lot 2, Block A, Lofland Industrial Park Addition*) for the purpose of establishing access, fire lane, and utility easements for the future expansion of the Rockwall Central Appraisal District (RCAD) building. The subject property is located directly south of the intersection of N. T. L. Townsend Drive and Justin Road, and is zoned Commercial (C) District.
- The subject property was annexed into the City of Rockwall on June 20, 1959, by *Ordinance No. 59-02*. At the time of annexation, the subject property was zoned Agricultural (AG) District. On October 12, 1985 the subject property was platted as Lot 1, Block A, Lofland Industrial Park. Based on the December 1993 zoning map the subject property had been rezoned to Light Industrial (LI) District. According to RCAD the existing 6,068 SF office building was constructed in 1998. On May 19, 2003, the City Council approved replat [*PZ2003-001-02*] that platted the subject property as Lot 1A-R, Block A, Lofland Industrial Park Addition. Based on the April 2005 zoning map the subject property had been rezoned to Commercial (C), which it remains today. On March 10, 2021, the Director of Planning and Zoning administratively approved a site plan [*SP2021-001*] to allow the construction of an expansion of the existing office building on the subject property.
- The surveyor has completed the majority of the technical revisions requested by staff, and this Replat -- *conforming to the requirements for plats as stipulated by the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional approval of this Replat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

### CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of a Replat for *Lot 2, Block A, Lofland Industrial Park Addition*, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) shall be addressed prior to submittal of civil engineering plans; and

- (2) Any construction resulting from the approval of this Replat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

### PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

---

**TO:** Mayor and City Council  
**DATE:** October 4, 2021  
**APPLICANT:** Clay Cristy; *ClayMoore Engineering*  
**CASE NUMBER:** P2021-047; *Replat for Lot 2, Block A, Lofland Industrial Park Addition*

---

### SUMMARY

Consider a request by ClayMoore Engineering on behalf of the Rockwall Central Appraisal District (RCAD) for the approval of a Replat for Lot 2, Block A, Lofland Industrial Park Addition being a 1.707-acre parcel of land identified as Lot 1A-R, Block A, Lofland Industrial Park Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 841 Justin Road, and take any action necessary.

### PLAT INFORMATION

- The purpose of the applicant's request is to Replat a 1.707-acre tract of land (*i.e. Lot 1A-R, Block A, Lofland Industrial Park*) into one (1) lot (*i.e. Lot 2, Block A, Lofland Industrial Park Addition*) for the purpose of establishing access, fire lane, and utility easements for the future expansion of the Rockwall Central Appraisal District (RCAD) building. The subject property is located directly south of the intersection of N. T. L. Townsend Drive and Justin Road, and is zoned Commercial (C) District.
- The subject property was annexed into the City of Rockwall on June 20, 1959, by *Ordinance No. 59-02*. At the time of annexation, the subject property was zoned Agricultural (AG) District. On October 12, 1985 the subject property was platted as Lot 1, Block A, Lofland Industrial Park. Based on the December 1993 zoning map the subject property had been rezoned to Light Industrial (LI) District. According to RCAD the existing 6,068 SF office building was constructed in 1998. On May 19, 2003, the City Council approved replat [PZ2003-001-02] that platted the subject property as Lot 1A-R, Block A, Lofland Industrial Park Addition. Based on the April 2005 zoning map the subject property had been rezoned to Commercial (C), which it remains today. On March 10, 2021, the Director of Planning and Zoning administratively approved a site plan [SP2021-001] to allow the construction of an expansion of the existing office building on the subject property.
- The surveyor has completed the majority of the technical revisions requested by staff, and this Replat -- *conforming to the requirements for plats as stipulated by the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional approval of this Replat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of the *Subdivision Ordinance* in the Municipal Code of Ordinances.

### CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of a Replat for *Lot 2, Block A, Lofland Industrial Park Addition*, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) shall be addressed prior to submittal of civil engineering plans; and

- (2) Any construction resulting from the approval of this Replat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

**PLANNING AND ZONING COMMISSION**

On September 28, 2021, the Planning and Zoning Commission approved a motion to approve the replat with the conditions of approval by a vote of 6-0, with Commissioner Deckard absent.
