PLANNING AND ZONING COMMISSION MEMORANDUM

PLANNING AND ZONING DEPARTMENT 385 S. GOLIAD STREET • ROCKWALL, TX 75087 PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO:	Planning and Zoning Commission
DATE:	August 30, 2022
APPLICANT:	Bill Bricker; Columbia Extrusion Corporation
CASE NUMBER:	P2022-038; Final Plat for Lot 1, Block A, Park Station Addition

## SUMMARY

Consider a request by Bill Bricker of Columbia Extrusion Corporation for the approval of a <u>Conveyance Plat</u> for Lot 1, Block A, Park Station Addition being a 16.26-acre tract of land identified as a Lot 1, Block 1, Indalloy Addition and Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 87 (PD-87) for Single-Family 10 (SF-10) District, General Retail (GR) District and Light Industrial (LI) District land uses, located on the southside of E. Washington Street east of the intersection of Park Place Boulevard and E. Washington Street, and take any action necessary.

## PLAT INFORMATION

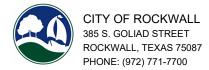

- ☑ The applicant is requesting the approval of a <u>Final Plat</u> of a 16.26-acre tract of land (*i.e. Lot 1, Block 1, Indalloy Addition and Tract 31 of the R. Ballard Survey, Abstract No. 29*) for the purpose of creating one (1) lot (*i.e. Lot 1, Block A, Park Station Addition*) and dedicating right-of-way for the future alignment of SH-66. This <u>Final Plat</u> also maintains an existing access easement that connects the property to the south of the subject property to E. Washington Street.
- ☑ The subject property was annexed on February 6, 1961 by Ordinance No. 60-01 [A1960-001]. According to the City's historic zoning maps, the subject property has been zoned Light Industrial (LI) District since at least January 3, 1972. On July 14, 2000, the City Council approved a final plat for a portion of this property (*i.e.* 7.409-acres), establishing it as Lot 1, Block 1, Indalloy Addition by Case No. PZ2000-055-01.On November 19, 2018, the City Council approved a change in zoning [Case No. Z2018- 032; Ordinance No. 18-46] from a Light Industrial (LI) District to Planned Development District 87 (PD-87) for Single-Family 10 (SF-10) District, General Retail (GR) District, and Light Industrial (LI) District land uses. On July 15, 2019, the City Council approved a preliminary plat [Case No. P2019-026] for the purpose of establishing a lot layout for a townhome development (*i.e. Park Station, Phase 1*). This preliminary plat expired on July 15, 2020. The subject property is currently vacant with the exception of a private driveway that connects the property south of the subject property to E. Washington Street.
- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- conforming to the requirements for plats as stipulated by the Chapter 38, Subdivisions, of the Municipal Code of Ordinances -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional approval of this *Final Plat* by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- ☑ With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances.

### CONDITIONS OF APPROVAL

If the Planning and Zoning Commission chooses to recommend approval of the <u>Final Plat</u> for Lot 1, Block A, Park Station Addition, staff would propose the following conditions of approval:

- (1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and,
- (2) Any construction resulting from the approval of this <u>Final Plat</u> shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

TO:	Mayor and City Council
DATE:	September 13, 2022
APPLICANT:	Bill Bricker; Columbia Extrusion Corporation
CASE NUMBER:	P2022-038; Final Plat for Lot 1, Block A, Park Station Addition

## **SUMMARY**

Consider a request by Bill Bricker of Columbia Extrusion Corporation for the approval of a <u>Conveyance Plat</u> for Lot 1, Block A, Park Station Addition being a 16.26-acre tract of land identified as a Lot 1, Block 1, Indalloy Addition and Tract 31 of the R. Ballard Survey, Abstract No. 29, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 87 (PD-87) for Single-Family 10 (SF-10) District, General Retail (GR) District and Light Industrial (LI) District land uses, located on the southside of E. Washington Street east of the intersection of Park Place Boulevard and E. Washington Street, and take any action necessary.

## PLAT INFORMATION

- ☑ The applicant is requesting the approval of a <u>Final Plat</u> of a 16.26-acre tract of land (*i.e. Lot 1, Block 1, Indalloy Addition and Tract 31 of the R. Ballard Survey, Abstract No. 29*) for the purpose of creating one (1) lot (*i.e. Lot 1, Block A, Park Station Addition*) and dedicating right-of-way for the future alignment of SH-66. This <u>Final Plat</u> also maintains an existing access easement that connects the property to the south of the subject property to E. Washington Street.
- ☑ The subject property was annexed on February 6, 1961 by Ordinance No. 60-01 [A1960-001]. According to the City's historic zoning maps, the subject property has been zoned Light Industrial (LI) District since at least January 3, 1972. On July 14, 2000, the City Council approved a final plat for a portion of this property (*i.e.* 7.409-acres), establishing it as Lot 1, Block 1, Indalloy Addition by Case No. PZ2000-055-01.On November 19, 2018, the City Council approved a change in zoning [Case No. Z2018- 032; Ordinance No. 18-46] from a Light Industrial (LI) District to Planned Development District 87 (PD-87) for Single-Family 10 (SF-10) District, General Retail (GR) District, and Light Industrial (LI) District land uses. On July 15, 2019, the City Council approved a preliminary plat [Case No. P2019-026] for the purpose of establishing a lot layout for a townhome development (*i.e. Park Station, Phase 1*). This preliminary plat expired on July 15, 2020. The subject property is currently vacant with the exception of a private driveway that connects the property south of the subject property to E. Washington Street.
- ☑ The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- conforming to the requirements for plats as stipulated by the Chapter 38, Subdivisions, of the Municipal Code of Ordinances -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- Conditional approval of this *Final Plat* by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below.
- ☑ With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances.

### CONDITIONS OF APPROVAL

If the City Council chooses to approve the <u>Final Plat</u> for Lot 1, Block A, Park Station Addition, staff would propose the following conditions of approval:

- (1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and,
- (2) Any construction resulting from the approval of this <u>Final Plat</u> shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.
