Re: Overhead Utility Variance – Rockwall Technology Park

Mr. Miller:

The Rockwall Economic Development Corporation (REDC) is the developer of the Rockwall Technology Park, and owns eight light industrial lots impacted by existing overhead (OH) utility lines on Corporate Crossing and State Highway 276. The attached aerial map shows the OH utilities in red and the impacted lots owned by the REDC in gold. The utility poles are owned by Oncor Electric Delivery and support major feeders for the company. Additional franchise utility providers also lease space on Oncor's utility poles.

The REDC has four projects and two regional detention ponds in the development pipeline that will be impacted by these existing OH utilities. Each project is required to contract with the franchise utility companies and pay for the cost to underground those utility lines at the time of lot development, per City of Rockwall ordinance. Many utility companies are experiencing material and labor shortages which are driving up costs and extending project timelines. Rather than burdening each individual project with the costs and delays associated with utility undergrounding, the REDC plans to coordinate a more efficient regional effort to take on the costs of undergrounding these utilities at one time.

The REDC requests a variance to the City of Rockwall's ordinance to allow the REDC the time necessary to coordinate with the utility companies. Specifically, the variance request is for a period of five years. The REDC plans to underground all OH utilities impacting lots in the Rockwall Technology Park, including the undeveloped lots and the lots currently scheduled for development. Additionally, the REDC will cooperate with third party property owners with adjacent land who wish to benefit from the cost-savings associated with a single utility relocation project. The extended time frame will allow the REDC time to coordinate the regional project and complete the undergrounding in the most cost-effective manner.

We respectfully ask that the Planning & Zoning Commission and the Rockwall City Council consider approval of our variance request.

Sincerely,
