TO: The Property Owners and/or Residents Located within Planned Development District 9 (PD-9)

FROM: Bethany Ross
City of Rockwall Planning and Zoning Department
385 S. Goliad Street
Rockwall, Texas 75087

SUBJECT: Case No. Z2024-054; Amendment to Planned Development District 9 (PD-9)

Property Owners and/or Residents Located within Planned Development District 9 (PD-9),

The City of Rockwall has initiated an amendment to Planned Development District 9 (PD-9) for the purpose of consolidating the regulating ordinances contained within this Planned Development District. Currently, Planned Development District 9 (PD-9) -- *which regulates the Fox Chase Subdivision, the Shadydale Estates Subdivision, the Rainbow Lake Estates Subdivision, and various other commercial and residential properties* -- consists of over 65 pages of regulations within ten (10) regulating ordinances, and over 205 development cases. The proposed amendment does not change the land uses, development requirements, or the concept plans associated with these ordinances. The proposed amendment will, however, consolidate these ordinances and development cases into a single Planned Development District ordinance. The purpose of making this change is to make the document easier to read and understand for residents, developers, and contractors looking to do work on properties situated within this area, and for City staff when reviewing permits.

WHY AM I GETTING THIS NOTICE?

The Local Government Code for the State of Texas requires notices to be sent to all property owners and occupants effected by a zoning change. The City of Rockwall establishes a 500-foot notification buffer around the subject property as the notice area. This means that you are receiving this notice because you either live within the boundaries of Planned Development District 9 (PD-9) or within 500-feet of its boundaries. The attached map is a visual representation of the subject property and the 500-foot notification buffer surrounding the zoning area.

DOES THIS CHANGE MY PROPERTY'S ZONING?

NO. The proposed amendment to Planned Development District 9 (PD-9) will not change your zoning or any development requirements associated with your property or any other properties located within the subject property. It will only make it easier to find the development requirements associated with property for property owners, developers, contractors, and city staff. Any property that is located within the 500-foot notification area -- *but is not situated within Planned Development District 9 (PD-9)* -- will not be affected by the proposed zoning change.

WHEN CAN I LEARN MORE ABOUT THIS AMENDMENT?

The Planning and Zoning Commission will hold a *PUBLIC HEARING* on Tuesday, December 10, 2024 at 6:00 PM, and the City Council will hold a *PUBLIC HEARING* on Monday, December 16, 2024 at 6:00 PM. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. Should a resident wish to attend these meetings they will be open to the public. In addition, all meetings will be available to be streamed live and via recording after the meeting through the City's website (*i.e.* www.rockwall.com). If you have specific questions about the amendment you can contact the Rockwall Planning and Zoning Department at (972) 772-6488 or email planning@rockwall.com.

Sincerely,

Bethany Ross
