Ryan Miller, AICP
Director of Planning
City of Rockwall

Mr. Miller,

I am submitting a development application to request a variance for a 6' black chain link fence. The area I would like to fence is a field beside Damascus Rd. that will be used for various athletic practices and upper level physical education classes. As such, it is necessary for safety purposes. The fence would keep athletic equipment such as footballs off of Damascus Rd. It would also act as a barrier to keep students from running directly onto Damascus Rd. without stopping and looking for a safe opening in traffic.

Thank you for your consideration of this request.

Sincerely,

Brad Helmer, Ed.D.
Head of School
