If this site is not within an identified special flood hazard area, this flood statement does not imply that the property and/or the structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. This flood statement shall not create liability on the part of the surveyor.

OWNERS DEDICATION:

STATE OF TEXAS §
COUNTY OF ROCKWALL §

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

We, **ROCKWALL ECONOMIC DEVELOPMENT CORPORATION**, the undersigned owner of the land shown on this plat, and designated herein as the **LA JOLLA POINTE ADDITION** to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed, except those created by separate instrument, which are governed by the terms of such separate instruments. We further certify that all other parties who have a mortgage or lien interest in the **LA JOLLA POINTE ADDITION** have been notified and signed this plat. We understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same, except those created by separate instrument, which are governed by the terms of such separate instruments. We also understand the following;

- No buildings shall be constructed or placed upon, over, or across the off-site and on-site utility easements as described herein.
- Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction, reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
- The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
- The developer/property owner and subdivision engineer shall bear total responsibility for storm drain improvements.
- The developer/property owner shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
- No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the city.

We further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; We, our successors and assigns hereby waive any claim, damage, or cause of action that we may have as a result of the dedication of exactions made herein.

GENERAL NOTES:

- Selling a portion of this addition by metes and bounds is unlawful and a violation of the subdivision ordinance of the city and chapter 212, municipal regulation of subdivisions and property development, of the Texas Local Government Code, and shall be subject to the city withholding utilities and building permits.
- It shall be the policy of the city to withhold issuing buildings permits until all streets, water, sewer and storm drainage systems have been accepted by the city. The approval of a subdivision plat by the city does not constitute any representation, assurance or guarantee that any building within such subdivision plat shall be approved, authorized, or permit issued, nor shall such approval constitute any representation, assurance or guarantee by the city of the adequacy and availability for water and sanitary sewer for personal use and fire protection within such subdivision plat, as required under the subdivision ordinance of the city.
- The property owner shall be responsible for maintaining, repairing, and replacing and shall bear sole liability of all systems within the drainage and detention easements.
- All fire lanes will be constructed, maintained, repaired and replaced by the property owner. Fire lanes shall be constructed in accordance with the approved civil engineering plans for both on-site and off-site fire lane improvements.
- All decorative signage, posts, or lights installed in public right-of-way shall be installed, maintained, repaired, and replaced by the homeowner's association (HOA).
