July 17, 2026

Dear City of Rockwall,

We own 205 Dial Ln, an undeveloped, nearly acre and a half property, that we are starting to develop to build our home. We are in need a fence repair as the one currently there is not secure and is an eyesore. In addition, we need to have a fence that safely contains our pets and keeps out other wildlife we have seen on our property, including turtles who have laid eggs on our property, a stray dog, and a beaver. Below are pictures of the current fence and gate, as well as a picture of what we would like to see in its place in the front entrance to our property. The remaining perimeter of our property will likely have a wood privacy fence. It goes without saying the proposed front entrance fence is of much nicer quality, safely keeps our pets in and other animals out, and is visually appealing. One of our goals is to improve the value of our property and we believe a high-quality fence like this is a start. Thank you for your time and consideration.

Sincerely,

A handwritten signature in blue ink that reads "Amanda Dailey". The script is cursive and fluid.

Amanda Dailey
