Re: Extension of Preliminary Plat (P2006-027) - Lakes of Somerset

Dear Mr. LaCroix,

As you know, Arcadia Realty Corp. ("Arcadia") has been working with the City of Rockwall Staff to revise the Lakes of Somerset and improve the layout. However, the preliminary plat is scheduled to expire at the end of July 2014. With this letter, Arcadia is requesting a one year extension to the preliminary plat while we continue to work with Staff to finalize the remaining details of the project.

If you have any questions, please do not hesitate to contact me at the number below.

Sincerely,

Christopher Orr
