HISTORIC PRESERVATION ADVISORY BOARD CASE MEMO

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Historic Preservation Advisory Board
DATE: November 18, 2021
APPLICANT: Haydon and Heather Frasier
CASE NUMBER: H2021-003; *Building Permit Fee Waiver for 510 Williams St.*

The applicants are requesting the approval of a *Building Permit Fee Waiver* in conjunction with a Certificate of Appropriateness (COA) [H2021-004] for the purpose of extending an existing driveway that will continue from the current driveway to the rear of the subject property and connect to a detached garage. The applicant is proposing that the extension of the driveway incorporate the same exposed aggregate concrete appearance as the existing driveway. On March 21, 2016, the City Council approved *Resolution No. 16-08* establishing the *Building Permit Fee Waiver Program* that provides an incentive for the rehabilitation or restoration of historic structures. For a residential property to be eligible for the *Building Permit Fee Waiver Program*, the property must be located within the Old Town Rockwall (OTR) Historic District or the Southside Residential Neighborhood Overlay (SRO) District and involve a minimum investment of \$5,000 for rehabilitation or restoration project. Properties classified as *Contributing* (i.e. *High, Medium, or Low Contributing*) shall be eligible for a full waiver of building permit fees and properties classified as *Non-Contributing* shall be eligible for a reduction in permit fees of up to 50%. The applicant has provided a scope of work and a valuation of \$19,150.00 for the extension of the existing driveway. Based on the accessory structure's designation as *Medium-Contributing*, the building permit fee would be eligible for a full waiver of the permit fees [i.e. \$711.00 fee (\$0.20 * 3,555 SF)]. Should the Historic Preservation Advisory Board (HPAB) approve the request, the applicants building permit fees would be waived. If approved and upon completion of the project, the applicant shall be required to provide staff with all receipts for the cost of the project to verify the valuation of the project as submitted on the application for this case.
