Mark and Veronica Combs 401 S. Clark Street Rockwall TX, 75087

Historic Preservation Board Advisory Committee City of Rockwall – Planning and Zoning Department 385 S. Goliad Street Rockwall TX 75087

SUBJECT: CERTIFICATE OF APPROPRIATENESS

My wife Veronica and I recently purchased 401 S. Clark, a lovely farmhouse at the edge of the historical district which is currently classified as low contributing. The home's original sale occurred Sep 4, 1873 when Harriet Clark purchased it from the Boydston family. What a cool piece of history. Unfortunately, in the years between 1990 and 2009 several structures (5) and large landscape features were added that do not complement the property. In fact, they are largely incoherent and impractical; and distract from what could otherwise be a beautiful back yard. From our research it appears that many of these changes were made without Historic Preservation Board or City approval.

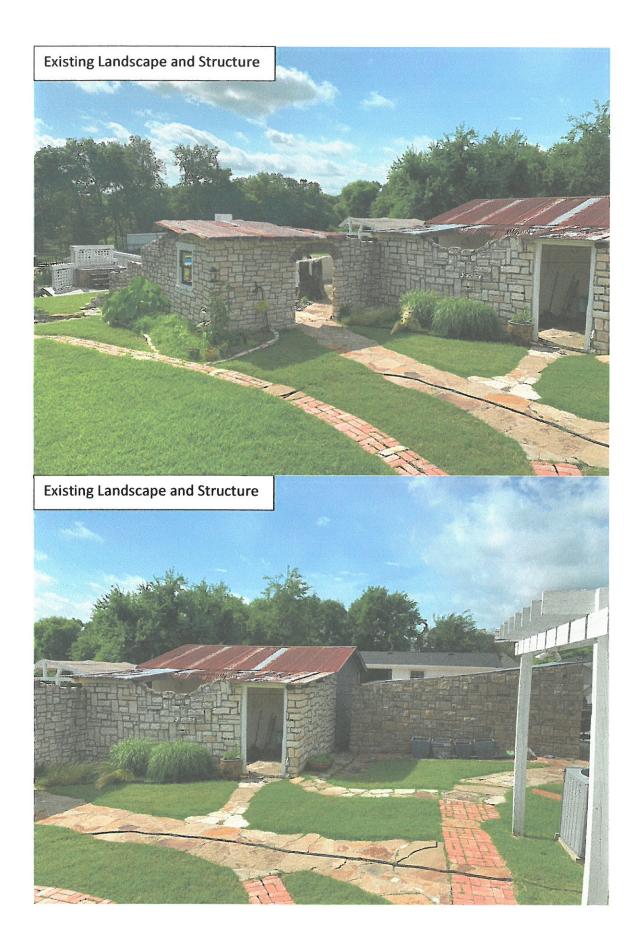

It is our hope that we can raise these structures and landscape additions, then construct one garage/shop that is coherent and complimentary to the property. In addition, much of the proposed demolition would be returned to green space (see attached documents). The proposed demolition area is 4,637.7 sqft; estimate taken from Rockwall Central Appraisal Districts ARC GIS CAD data (see attachment). The approximate "under roof" area of demolition is 1,521,5 sqft; leaving approximately 3,116 sqft returned to green space.

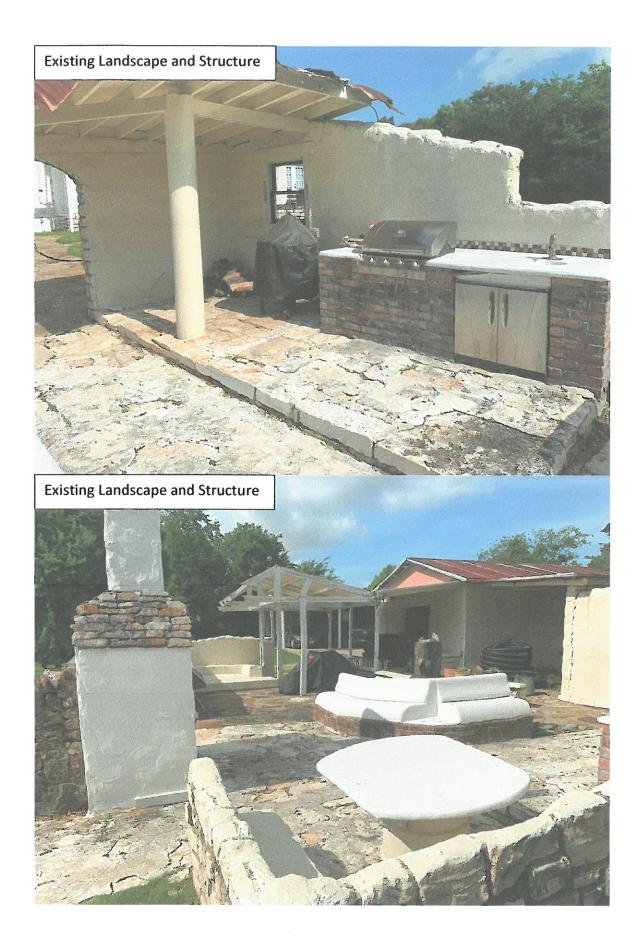

The proposed replacement structure would be a 1,500 sqft garage workshop (30x50 slab); 1140 sqft enclosed, and a 360 sqft under roof patio that would be facing the pool area. The building would be an engineered building constructed of metal with roof, walls, and doors that color match the homestead. Street facing veneer would include wood accents and features as to complement the original farm house. The drive behind the house would be extended to match the new structure. We will be applying for variances for both the proposed square footage, and metal building materials. We have noticed, that although not common, there are examples of larger barn-like or metal shop structures within the historical district.

Veronica and I are invested in making this our last home purchase. It is our sincere desire to improve the property in a manner that will add value to the home and neighborhood.

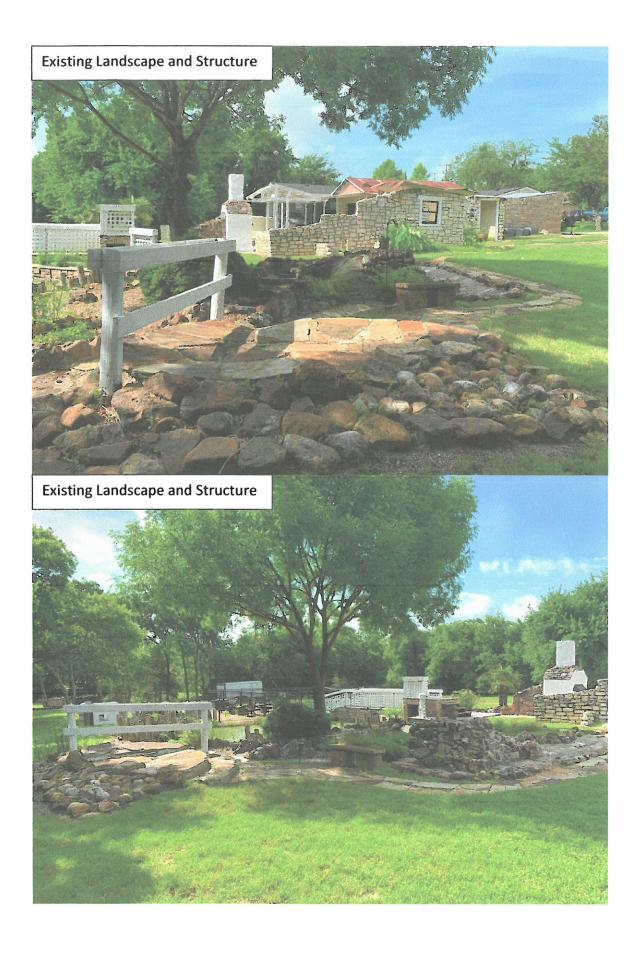

Sincerely,

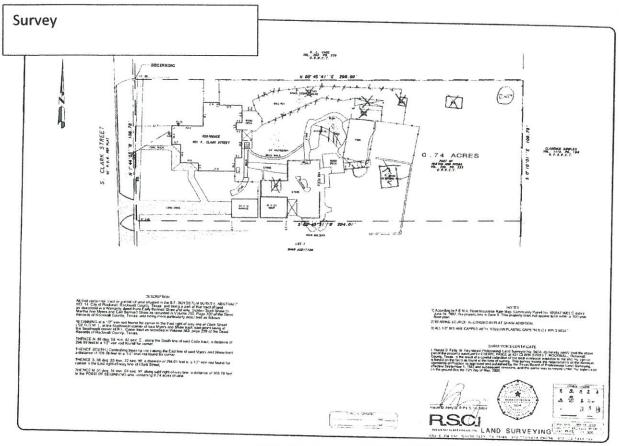

Mark H. Combs

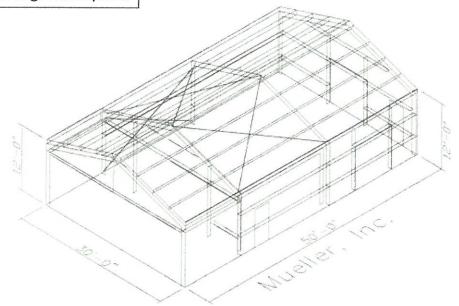

NOTE: Garage door opening sizes are on incorrect ends; will be corrected on final engineered plans

Unless noted, drawings are for conceptual purposes only. Please review for building glimensions and framed openings occuracy. All other aspects such as wall glit and root purilin spacing, wind bracing locations, etc. may change during engineered design unless noted in the "Special Requirements" section of the contract.

CITY OF ROCKWALL

HISTORIC PRESERVATION ADVISORY BOARD CASE MEMO

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087 PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Historic Preservation Advisory Board

DATE: June 16, 2022

APPLICANT: Mark and Veronica Combs

CASE NUMBER: H2022-013; Small Matching Grant for 401 S. Clark Street

On June 3, 2022, staff received applications for a Certificate of Appropriateness (COA) [H2022-012], a Building Permit Fee Waiver [H2022-014], and a Small Matching Grant from the property owners -- Mark and Veronica Combs -- for the purpose of allowing the demolition of five (5) accessory structures and landscape features, the construction of a guest quarters/detached garage, and a driveway expansion. The subject property is located at 401 S. Clark Street and is designated as a Low Contributing Property. According to Section 08, Small Matching Grants, of Article 11, Development Applications and Review Procedures, of the Unified Development Code (UDC), residential properties located within the Old Town Rockwall (OTR) Historic District or the Southside Residential Neighborhood Overlay (SRO) District that are Contributing (i.e. High, Medium, or Low Contributing) or Landmarked Properties are eligible for matching funds up to \$1,000.00. In this case, the subject property is located within the Old Town Rockwall (OTR) District and is classified as a Low Contributing Property. The project includes improvements that will be visible from the street (i.e. demolition of existing accessory structures, the construction of a guest quarters/detached garage, and the expanded driveway) and based on the applicant's scope of work, the property is eligible for matching funds. The total valuation of the project provided by the applicant is \$115,050.00, and would be qualified for a small matching grant of up to \$1,000.00; however, approval of this request is discretionary decision for the Historic Preservation Advisory Board (HPAB) has approved one (1) small matching grants for FY2022. Should this request be approved, the Small Matching Grants Fund would be reduced to \$3,000.00.

AUBE JEAN-PAUL III PO BOX 868 ROCKWALL, TX 75087 Property Owner and/or Resident of the City of Rockwall:

You are hereby notified that the Historic Preservation Advisory Board will consider the following application:

Case No. H2022-013: Small Matching Grant for 401 S. Clark Street

Hold a public hearing to discuss and consider a request by Mark and Veronica Combs for the approval of a <u>Small Matching Grant</u> for the construction of a new accessory building on a Low Contributing Property being a 0.7379-acre parcel of land identified as Block 105A-1, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Old Town Rockwall (OTR) Historic District, addressed as 401 S. Clark Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Historic Preservation Advisory Board (HPAB) will hold a public hearing on *Thursday, June 16, 2022 at 6:00 PM.* These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Henry Lee

Rockwall Planning and Zoning Dept. 385 S. Goliad Street Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by <u>Thursday, June 16, 2022 at 4:00 PM</u> to ensure they are included in the information provided to the Historic Preservation Advisory Board (HPAB).

Historic Preservation Board Advisory Committee City of Rockwall – Planning and Zoning Department 385 S. Goliad Street Rockwall TX 75087

SUBJECT: CERTIFICATE OF APPROPRIATENESS

My wife Veronica and I recently purchased 401 S. Clark, a lovely farmhouse at the edge of the historical district which is currently classified as low contributing. The home's original sale occurred Sep 4, 1873 when Harriet Clark purchased it from the Boydston family. What a cool piece of history. Unfortunately, in the years between 1990 and 2009 several structures (5) and large landscape features were added that do not complement the property. In fact, they are largely incoherent and impractical; and distract from what could otherwise be a beautiful back yard. From our research it appears that many of these changes were made without Historic Preservation Board or City approval.

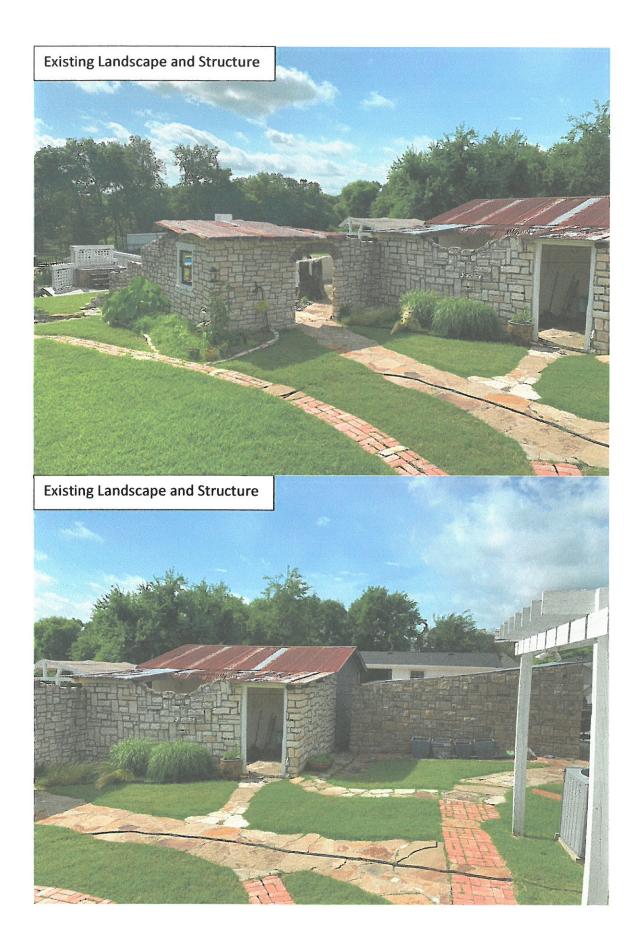

It is our hope that we can raise these structures and landscape additions, then construct one garage/shop that is coherent and complimentary to the property. In addition, much of the proposed demolition would be returned to green space (see attached documents). The proposed demolition area is 4,637.7 sqft; estimate taken from Rockwall Central Appraisal Districts ARC GIS CAD data (see attachment). The approximate "under roof" area of demolition is 1,521,5 sqft; leaving approximately 3,116 sqft returned to green space.

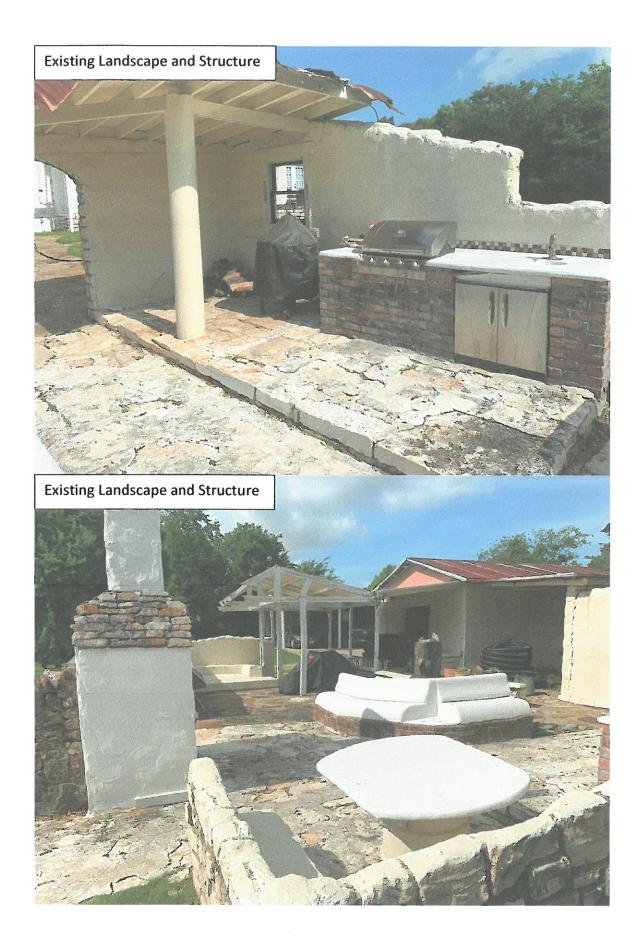

The proposed replacement structure would be a 1,500 sqft garage workshop (30x50 slab); 1140 sqft enclosed, and a 360 sqft under roof patio that would be facing the pool area. The building would be an engineered building constructed of metal with roof, walls, and doors that color match the homestead. Street facing veneer would include wood accents and features as to complement the original farm house. The drive behind the house would be extended to match the new structure. We will be applying for variances for both the proposed square footage, and metal building materials. We have noticed, that although not common, there are examples of larger barn-like or metal shop structures within the historical district.

Veronica and I are invested in making this our last home purchase. It is our sincere desire to improve the property in a manner that will add value to the home and neighborhood.

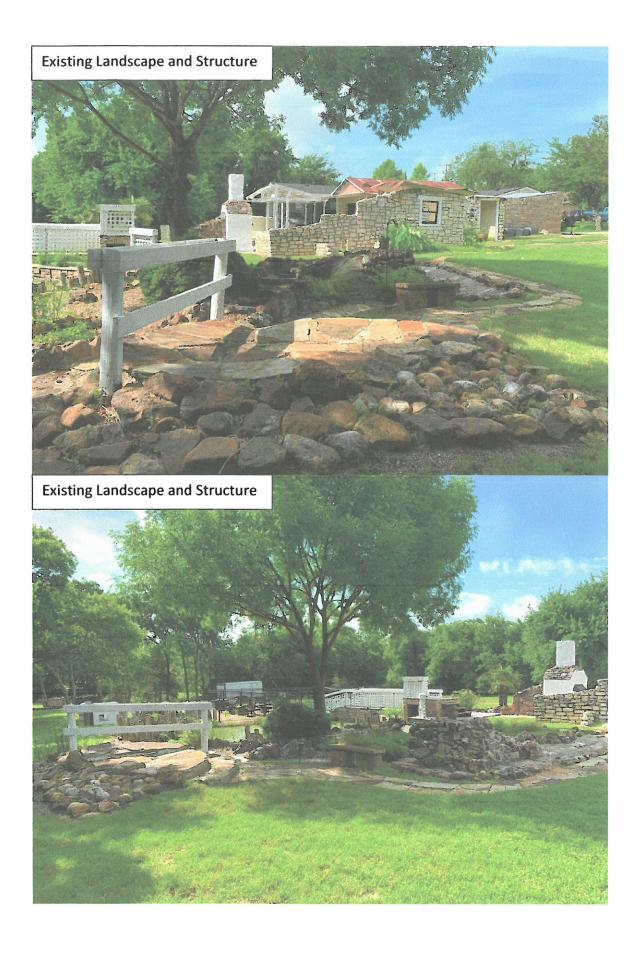

Sincerely,

Mark H. Combs

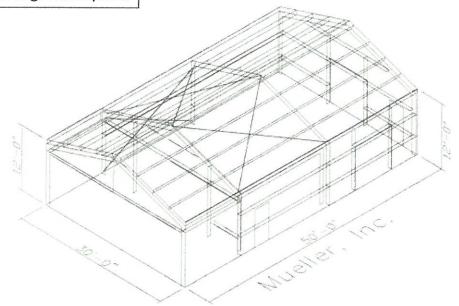

NOTE: Garage door opening sizes are on incorrect ends; will be corrected on final engineered plans

Unless noted, drawings are for conceptual purposes only. Please review for building dimensions and framed openings occuracy. All other aspects such as wall girt and roos purin spacing, wind bracing locations, etc. may change during engineered design unless noted in the "Special Requirements" section of the contract.

SUBJECT: H2022-013; Small Matching Grant for 401 S. Clark Street

Mark and Veronica Combs:

This letter serves to notify you that the above referenced case, that you submitted for consideration by the City of Rockwall, was approved by the Historic Preservation Advisory Board (HPAB) on June 16, 2022. The following is a record of all recommendations, voting records and conditions of approval:

Staff Recommendations

Staff made the following recommendations concerning the applicant's request:

(1) Any construction resulting from the approval of this request shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Historic Preservation Advisory Board

On June 16, 2022, the Historic Preservation Advisory Board (HPAB) approved a motion to approve the Small Matching Grant with a vote of 5-0, with Board Members McClintock and Miller Absent.

Should you have any questions or concerns regarding your case, please feel free to contact me a (972) 771-7745.

Sincerely.

Henry Lee, AICP; Planner

City of Rockwall Planning and Zoning Department
