To Whom it May Concern:

I recently purchased 203 N. Clark, a wonderful home located within the Old Town Rockwall Historic District. I am preparing to add new windows, which will total \$5,500. To help offset this expense, I am applying for the Building Permit Waiver & Reduction Program and I am applying for the Small Matching Grant Program. Installing new windows will not only help me conserve energy, but it will also enhance the look of my home.

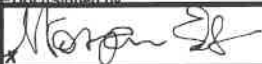

Your approval of a reduced building permit and a small grant is recommended as I upgrade my home. I am proud to live in the Historic Downtown Rockwall Area and want to improve the property in a manner that will add value to the home and neighborhood. PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Historic Preservation Advisory Board
DATE: October 19, 2023
APPLICANT: Morgan Edwards
CASE NUMBER: H2023-013; *Certificate of Appropriateness (COA) for 203 N Clark*

SUMMARY

Hold a public hearing to discuss and consider a request by Morgan Edwards for the approval of a *Certificate of Appropriateness (COA)* for the replacement of windows on a *Non-Contributing Property* being a 0.1150-acre tract of land identified as a portion of Block 22 of the F & M Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Old Town Rockwall (OTR) Historic District, addressed as 203 N. Clark Street, and take any action necessary.

BACKGROUND

The subject property was annexed prior to 1934 based on the April 1934 Sanborn Maps. According to the Rockwall Central Appraisal District (RCAD), existing on the subject property is a 1,219 SF single-family home that was constructed in 1990. In addition, a 493 SF accessory structure was constructed on the subject property in 2020. According to the *2017 Historic Resource Survey*, the subject property is classified as a *Non-Contributing Property*. The home situated on the subject property is one (1) story and according to the *2017 Historic Property Survey* it was constructed in a *Minimal Traditional Style*. According to the City's historic zoning maps, the subject property was zoned Single-Family 3 (SF-3) District as of January 3, 1972. This designation changed between January 4, 1972 and May 15, 1983 to a Single-Family 7 (SF-7) District based on the May 16, 1983 zoning map. The property has remained zoned Single Family (SF-7) District since this change.

PURPOSE

The applicant is requesting approval of a *Certificate of Appropriateness (COA)* for the purpose of permitting the replacement of all the windows in the single-family home.

ADJACENT LAND USES AND ACCESS

The subject property is located at 203 N. Clark Street. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 0.3230-acre parcel of land (*i.e. 205 N. Clark Street*), zoned Single-Family 7 (SF-7) District, and identified as a *Medium Contributing Property*. Beyond this is a 0.6890-acre parcel of land (*i.e. 303 N. Clark Street*), zoned Single-Family 7 (SF-7) District, and identified as a *Medium Contributing Property*. Beyond this is a 0.907-acre parcel of land (*i.e. 602 Williams Street*), zoned Single-Family 7 (SF-7) District, and identified as a *High Contributing Property*. Beyond this is Williams Street, which is identified as a *Minor Collector* on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

South: Directly south of the subject property is a 0.0950-acre parcel of land (*i.e. 201 N. Clark Street*), zoned Single-Family 7 (SF-7) District, and identified as a *Medium Contributing Property*. Beyond this is E Kaufman Street, which is identified as a *R2 (i.e. residential, two [2] lane, undivided roadway)* on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. South of this roadway is a vacant one (1) acre parcel of land (*i.e. 612 Kaufman Street*), zoned Single-Family 7 (SF-7) District, and identified as a *Non-Contributing Property*. Beyond this is a 0.50-acre parcel of land (*i.e. 611 E Rusk Street*), zoned Single-Family 7 (SF-7) District, and identified as a *Low Contributing Property*. Beyond this is E. Rusk Street, which is identified as a *A4D (i.e.*

Arterial, four [4] lane, divided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

East: Directly east of the subject property is a 1.084-acre parcel of land (i.e. 202 N. Clark Street), zoned Single-Family 7 (SF-7) District, and classified as a *High Contributing Property*. Beyond this is the boundary of the Old Town Rockwall (OTR) Historic District.

West: Directly west of the subject property is a vacant 0.2310-acre parcel of land (i.e. 605 E. Kaufman Street), zoned Single-Family 7 (SF-7) District, and classified as a *Non-Contributing Property*. Beyond this are six (6) parcels of land (i.e. 605, 601, 505, 503, 501, and 405 E Kaufman Street), zoned Single-Family 7 (SF-7) District, and classified as *Non-Contributing Properties*. West of these properties are a 0.2850-acre parcel of land (i.e. 403 E Kaufman Street), zoned Single-Family 7 (SF-7) District, and classified as a *Medium Contributing Property*. Beyond this is boundary of the Old Town Rockwall (OTR) Historic District.

CHARACTERISTICS OF THE PROJECT

The applicant is proposing to replace all the windows on the single-family home.

CONFORMANCE TO THE HISTORIC DISTRICT GUIDELINES & CITY'S CODES

According to Subsection 06.03(F), *Certificate of Appropriateness (COA) for Alteration or New Construction*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), "(t)he provisions of this ordinance [*Historic Overlay (HOV) District*] shall apply only to those properties ... which meet the following criteria: [1] either be a designed historical landmark or be wholly or partially located within a designated historic district, and [2] either be a contributing property as defined by *Subsection B* or be located within 200-feet of a contributing property." In this case, the subject property meets all of the criteria for a property that would require a Certificate of Appropriateness (COA). Specifically, it is situated wholly within the Old Town Rockwall (OTR) Historic District, and is within 200-feet of several contributing properties. Furthermore, according to Subsection 06.01, *Certificate of Appropriateness (COA)*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC), "(a)ny person carrying out any work that requires a building permit for exterior alteration, restoration, reconstruction, new construction, moving or demolition of a property within a historic district that is visible must first obtain a Certificate of Appropriateness (COA) from the Historic Preservation Advisory Board (HPAB) as provided for in Subsection 06.02, *Historic Overlay District*, of Article 05, *District Development Standards*." In this case, replacement of the windows requires a building permit and therefore the applicant is required to obtain a Certificate of Appropriateness (COA).

According to Subsection 07(C)(7), of Appendix D, *Historic Preservation Guidelines*, of the Unified Development Code (UDC), "(t)he overall relationship of the size, width, height and number of doors and windows on the exterior building facades should be typical of the style and period of the structure. These elements should be proportionally balanced, sized and located in a manner typical of the style and period of the structure and compatible with neighboring historic buildings or structures." In this case, the applicant's home was built in 1990 and the proposed window replacement will greatly increase the energy efficiency as well as the aesthetics of the single-family home.

According to Subsection 06.03(G)(5), *Standards of Approval*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), "the Historic Preservation Advisory Board (HPAB) must approve the application for a Certificate of Appropriateness if it determines that ... the application will not adversely affect the character of the site; and the proposed work is consistent with the regulations contained in this section and proposed preservation criteria ..." In this case, the applicant's request does not have an adverse effect on any of the adjacent properties; however, the approval of a Certificate of Appropriateness (COA) is a discretionary decision for the Historic Preservation Advisory Board (HPAB).

NOTIFICATIONS

On October 6, 2023, staff notified 23 property owners and occupants within 200-feet of the subject property. At the time this report was written, staff had not received any notices regarding the applicant's request.

CONDITIONS OF APPROVAL

If the Historic Preservation Advisory Board (HPAB) chooses to approve the request for a Certificate of Appropriateness (COA), staff would propose the following conditions of approval:

- (1) Any construction resulting from the approval of this request shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.
