PLANNING AND ZONING COMMISSION MEMO

AGENDA DATE: 05/08/2018

APPLICANT: Scott Roberts; *Creative Architects*

AGENDA ITEM: **SP2018-009**; Site Plan for Patriot Paws – *Residential Care Facility*

SUMMARY:

Discuss and consider a request by Scott Roberts of Creative Architects on behalf of Adam Cunningham of Patriot Paws for site plan for a *Residential Care Facility* on a 3.466-acre parcel of land identified as Lot 1, Block A, Patriot Paws Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 302 Ranch Trail, and take any action necessary.

PURPOSE AND BACKGROUND:

The applicant is requesting the approval of a *site plan* for the purpose of constructing a, single-story, 2,015 SF *Residential Care Facility*. The residential styled facility will consist of two (2) bedrooms for the purpose of short-term occupancy (*i.e. occupancy not to exceed 14 days*) of a disabled American veterans and/or others with mobile disabilities that require special training for a service animal. The facility will be situated on the northern portion of the 3.466-acre parcel of land identified as a Lot 1, Block A, Patriot Paws Addition. The property is addressed as 302 Ranch Trail and is zoned *Commercial (C) District*.

On October 2, 2017, the City Council approved a Specific Use Permit (*SUP No. S-176*) [*Ordinance No. 17-54*] to allow for a *Residential Care Facility* in a Commercial (C) District. The SUP establishes operational conditions that are specific to this property (*e.g. definitions regarding short term occupancy, disabled persons, parking, etc.*). At the time of approval of the SUP, there was an existing two (2) bedroom, single-story home on the *subject property*. The homes has since been demolished to make way for the new facility. Parking will be in accordance with the Article V, Parking and Loading, of the UDC, which requires a minimum of one (1) space per bedroom. The facility will provide two (2) parking spaces, and meet this requirement.

DENSITY AND DIMENSIONAL REQUIREMENTS:

According to Section 1, *Land Use Schedule*, of Article IV, *Permissible Uses*, of the Unified Development Code (*UDC*), a residential care facility operation is a use permitted by a SUP within the Commercial (C) District. The submitted site plan, landscape plan, and building elevations conform to the technical requirements contained within the Unified Development Code (*UDC*) and the Commercial (C) District. A summary of the density and dimensional requirements for the subject property is as follows:

<i>Ordinance Provisions</i>	<i>Zoning District Standards</i>	<i>Conformance to the Standards</i>
<i>Minimum Lot Area</i>	<i>10,000 SF</i>	<i>x=3.466-Acres; In Conformance</i>

<i>Maximum Impervious Coverage</i>	<i>85-90%</i>	<i>x=7%; In Conformance</i>

NOTES: 1 Without fire retardant wall, or alley: ten feet, or as required by building and/or fire codes.

2. Abutting non-residentially zoned property, with fire retardant wall and alley separating: zero feet.

3. Maximum building height: 240 feet. Any structure over 60 feet shall require a specific use permit.

ARCHITECTURAL REVIEW BOARD RECOMMENDATION:

On March 24, 2018, the Architectural Review Board (ARB) reviewed the proposed building elevations for the site. The ARB requested the applicant make minor changes to the materials on the north, south, and west facing elevations, utilizing stone in order to meet the 20% stone requirement. The applicant has revised the elevations, meeting the 20% stone requirement for all facades. The ARB will provide a recommendation to the Planning and Zoning Commission during the next scheduled meeting to be held on May 8, 2018.

RECOMMENDATIONS:

If the Planning & Zoning Commission chooses to approve the applicant's request then staff would recommend the following conditions of approval:

- 1) All technical comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;
- 2) Any construction or building necessary to complete this Site Plan request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

Discuss and consider a request by Scott Roberts of Creative Architects on behalf of Adam Cunningham of Patriot Paws for site plan for a Residential Care Facility on a 3.466-acre parcel of land identified as Lot 1, Block A, Patriot Paws Addition, City of Rockwall, Rockwall County, Texas, zoned Commercial (C) District, addressed as 302 Ranch Trail, and take any action necessary.

The following staff comments are to be addressed and resubmitted no later than Tuesday May 1, 2018. Please provide three large copies [24" X 36" FOLDED] plan and one PDF version for a subsequent review by staff:

** Planning Department General Comments to be addressed:

1. Adherence to Engineering and Fire Department standards shall be required. Understood
2. Submittal and approval of a Civil Engineering Plans and Final Plat prior to issuance of a Certificate of Occupancy(CO). Will attached plat work?
3. Label all revised site plan documents with "Case No. SP2018-009" at the lower right corner of each plan. Done

** Please address the following Planning Comments for each plan and resubmit revised plans by date requested

Site Plan:

1. Re-label all drive access & firelane as "24-ft Firelane and Public Access Easement" as appropriate – (if utilities exist, add utility easement in label) Done
2. Remove trees as indicated on site plan. Done
3. Remove lot lable indicating "Lot 3, Block A, Maverick Ranch." This is the Patriot Paws Addition and is considered to be a portion of Lot1, Block A. Done
4. Remove old "lot line" unless you are delineating this as a separate of focus for the site plan or subdividing the property. Done
5. Is the existing driveway going away? Yes, added note for removal

Landscape/Treescape Plan:

1. Remove lot lable "Lot 3, Block A, Maverick Ranch" as indicated on site plan comments. Done
2. Why type of tree is being removed from the property (provide label on plan). Permission has already been received to remove the dead tree. (see attached email)

No Photometric Plan Submitted:

1. Will there be any exterior lighting of the property (e.g. light poles)? If so, there may be a photometric plan required. Building Elevations: No light poles will be added
1. Requires a recommendation from the Architectural Review Board (ARB) forwarded to the Planning and Zoning Commission for action. Revised per Arch. Review Bd.

** The following are scheduled meeting dates that you and/or your representative(s) are required to attend regarding the Site Plan request. If you have any questions regarding this case, please feel free to contact David Gonzales, AICP with the Planning Department at 972-771-7745.

RE: SITE PLAN (SP2018-009), Patriot Paws

Dear Applicant:

This letter serves to notify you that the above referenced case that you submitted before the City of Rockwall was approved by the Planning and Zoning Commission on 05/08/2018. The following is a record of all recommendations, voting records and conditions of approval:

ARCHITECTURAL REVIEW BOARD RECOMMENDATION:

On March 24, 2018, the Architectural Review Board (ARB) reviewed the proposed building elevations for the site. The ARB requested the applicant make minor changes to the materials on the north, south, and west facing elevations, utilizing stone in order to meet the 20% stone requirement. The applicant has revised the elevations, meeting the 20% stone requirement for all facades. The ARB will provide a recommendation to the Planning and Zoning Commission during the next scheduled meeting to be held on May 8, 2018.

On May 8, 2018, the Architectural Review Board's motion to recommend approval of the revised building elevations passed by a vote of 3 to 0 with Board Members Neill, Craddock, Tovar, and Miller absent.

RECOMMENDATIONS:

If the Planning & Zoning Commission chooses to approve the applicant's request then staff would recommend the following conditions of approval:

- 1) All technical comments provided by the Planning, Engineering and Fire Department must be addressed prior to the submittal of a building permit;*
- 2) Any construction or building necessary to complete this Site Plan request must conform to the requirements set forth by the UDC, the International Building Code, the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.*

For information about the procedures and required materials to file a plat, or for any other additional questions on this matter, please contact Planning staff at (972) 771-7745.
