 Unless shown otherwise, all boundary and lot corners are monumented with a 5/8" iron rod with yellow plastic cap stamped "RPLS 5405".

**BASIS OF BEARINGS & COORDINATES:**  
 Bearings & coordinates shown hereon are based on Grid North of the Texas Coordinate System of 1983 (North Central Zone 4202, NAD83) via connection to Geomatic Resources VRS.

**NOTES:**  
 For all information regarding title, easements, and encumbrances of record, Dallas Mapping & Design relied upon information provided by the client or property owner, specifically, the Commitment For Title Insurance issued by WFG National Title Insurance Company, GF No. 12080518RW, issued September 13, 2012, with an effective date of September 6, 2012. Additionally, this subdivision plat is subject to any and all easements, reservations and restrictions of record otherwise not disclosed in said Commitment. This subdivision plat does not represent warranty of title or guarantee of ownership, nor provide a determination or opinion concerning the location or existence of wetlands, faultlines, toxic or hazardous waste areas, subsidence, subsurface and environmental conditions or geological issues. No statement is made concerning the suitability of the subject tract for any intended use, purpose, or development. Except as specifically shown hereon, this subdivision plat does not purport to reflect any of the following which may be applicable to the subject tract: unrecorded easements; other building setback lines; restrictive covenants; subdivision restrictions; zoning or other land use regulations; Agreements; Lease Agreements. Use of this subdivision plat by any other parties and/or for other purposes shall be at user's own risk and any loss resulting therefrom shall not be the responsibility of the undersigned.

By graphic scaling/plotting only, a portion of subject property lies within Zone 'AE', which is a Special Flood Hazard Area subject to inundation by the 1% annual chance flood (100-year flood), according to the Federal Emergency Management Agency Flood Insurance Rate Map, Community Panel No. 48397C0030L, effective map date of September 26, 2008. This flood statement does not imply that the property and/or structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made, natural causes, or local conditions. This flood statement shall not create liability on the part of the surveyor.

OWNER'S DEDICATION

NOW, THEREFORE, KNOW ALL BY THESE PRESENTS:

STATE OF TEXAS  
COUNTY OF ROCKWALL

I, the undersigned owner of the land shown on this plat, and designated herein as the LIFE SPRING CHURCH subdivision to the City of Rockwall, Texas, and whose name is subscribed hereto, hereby dedicate to the use of the public forever all streets, alleys, parks, watercourses, drains, easements and public places thereon shown on the purpose and consideration therein expressed. I further certify that all other parties who have a mortgage or lien interest in the LIFE SPRING CHURCH subdivision have been notified and signed this plat.

I understand and do hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. I also understand the following:

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of their respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purpose of construction reconstruction, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.
5. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area are not adversely affected by storm drainage from the development.
6. The entire detention system to be maintained, repaired and replaced by property owner.
7. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit, should the developer and/or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as progress payments as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exaction's made herein are proportional to the impact of the Subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exactions made herein.
