NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

THAT, KIMBALL HILL HOMES-TEXAS, INC., does hereby adopt this plat designating the hereinabove described property as Lynden Park Estates Phase 2, an addition to the City of Rockwall, Rockwall County, Texas, and does hereby dedicate to the City of Rockwall for the public use forever the streets and alleys shown thereon in fee simple and does hereby reserve the easement strips shown on this plat for the purposes stated and for the mutual use and accommodation of all utilities desiring to use or using same. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction maintenance or efficiency of their respective systems on any of these easement strips and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purposes of constructing, reconstructing, inspecting, patrolling, maintaining, and either adding to or removing all or part of their respective system without the necessity at any time of procuring the permission of anyone. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision. The developer and subdivision engineer shall bear total responsibility for storm drain improvements. The developer shall be responsible for the necessary facilities to provide drainage patterns and drainage controls such that properties within the drainage area not adversely affected by storm drainage from the development.

No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until such time as the developer has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys all according to the specifications of the City of Rockwall.

It shall be the policy of the City of Rockwall to withhold issuing building permits until all streets, water, sewer and storm drainage systems have been accepted by the City. The approval of a plat by the City does not constitute any representation, assurance or guarantee that any building within such plat shall be approved, authorized or permit therefore issued, nor shall such approval constitute any representation, assurance or guarantee by the City of the adequacy and availability for water for personal use and fire protection within such plat, as required under Ordinance 83-54.
